

47. The Second Coming of Christ
The Anti-Christ
The Unholy Trinity

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.
And Barbara “Marrianna” Zimmermann**

What can you share about the Second Coming of Christ and the Anti-Christ?

“You will continue to know that the Second Coming is your Christed Self! The Second Coming is your Highest Awareness the Awareness of the Christ Itself. They call it the Mystical Wisdom. The Union with Yourselves is Christed does mean Beautiful One that you Recognize the Viability of your Own Spirit. You Recognize the Beauty of this Expression of what you call Source. That moves through Each of you in an Individual capacity. That allows you to be what you Thought, Heard, and Understand of that one called Jesus. It is the Second Coming, simply meaning you have Awakened to the Message that Jesus Christ laid down before you.

“Now again we will say to All of you it is Very Necessary that you do NOT Hold to the Mental Capacity that you had before, which means your Judgments upon Yourselves that believes that you are Less Than the Christed Consciousness or the Source. The Belief That Something Or Someone Else Overpowers You.”

It is a big thing from what we have All been told!

“It is Indeed! It is Indeed!”

Thank you Malachi!

The Anti-Christ

“So the Anti-Christ, what does that simply mean? It means that you Will Not allow yourselves to Recognize that Inner Empowered State. It does Not mean a Being or a Force Field is going to Create Something that is Destructive.”

Oh Malachi that is really powerful!

“The Anti-Christ is with you All now. Do you know what that is? It is your Belief that you are Less than. That you do not have the capacity to comprehend what

is within you, Around you or even in the Cosmos. The Anti-Christ is your Belief that there are Beings from Other Dimensions that can Harm you. The Anti-Christ is just a Belief that your Governors and Governorships can give you Harm. Your Anti-Christ is your Belief that there can be Other Human Beings that will Destroy you. So you know again and again in your Beliefs, you Create Your Reality.”

So We Think it is Somebody Outside of us!

“Indeed.”

Malachi, I was even hesitating in whether I should even ask that question. I am so Thankful I did!

“Beautiful One, let us give Honor in this fashion. Those of you, all of you, you are Beings of All Kinds of Traditions and All Religions. You are All Honoring that which is called the Divine Creator. You even utilize the Language ‘We Are One’. We are the Creator Embodied; all of you will say that.

“Then you will use Other Languages. Well, ‘there are those in the Galactic Centers that can do us Harm’, ‘there are those from the Galactic Center that are Ruling Earth’, ‘there are those on the Earth that are Fooling us.’ So again you separate even from your own truth that you First Spoke. That is your Anti-Christ.”

That is powerful! So it is Not a name, it is Not Somebody, it is our misconception!

“Indeed! Indeed!”

Thank you for that Blessing!

The Unholy Trinity

What can you tell us about the Unholy Trinity?

“There you are again you will Recognize the Unholy Trinity is the Power of the Evolution of Separation. Meaning Beautiful One, you DO NOT Recognize that you are Source, you DO NOT Even Recognize the Power of your Humanness. There is your Unholy Trinity.”

We have been duped by ourselves!

“Indeed you have!”

Oh, Malachi I worried that this was too Negative to even bring before you!

“It is a Beautiful Understanding! So that all of you can make the changes that you call for, that you are willing to say in one Breath and Deny in another.”

Thank you Malachi for these insights!
