

## **49. Process to Blend With The Pure Cosmic Love and Light**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.**

**And Barbara "Marrianna" Zimmermann**

**How do I tap into the Unlimited Supply of Pure Cosmic Life Substance of the Love/Light of All Creation and Reclaim my Royal Heritage?**

**"Alright, now let us have you do another thing. As you Breathe Inward, notice yourself begin to Feel the Fluid of your spine. This is the Liquid Light Source.**

**"The question you asked is for you to be Blended in that Liquid Light. Realize that it is a Feeding Fluid, Feeding your Body, Feeding your Mind and Emotions, Feeding the Ego Center, Feeding the Beautiful Source Center. Above all it is Igniting your Spirit within you."**

**How Wonderful! My surgery won't disrupt that will it?**

**"It will and it will not. Now in your alignment as you prepare for your surgery, you will make an acknowledgement, your affirmation of your Unification with Source. That is, 'During this Beautiful Surgery I am releasing that Divine Power that Divine Fluid of Perfection within my whole being?' So the surgery is going to dislodge a block".**

**That is what I want! Thank You Lord!**

**"Indeed. Indeed!"**

**Then all the other Positive Things I've put together will Flow through me then.**

**"Indeed."**

**There is no danger in the surgery Blocking anything else?**

**"No, Indeed."**

**So Thank you, what a triple Blessing or more this surgery is for me?**

**"Indeed, and again I remind you move into the surgery with simply that Intention. Not to worry of Blockage with the Intention of Knowing 'This is an opportunity for my Body to open the channel of Union with my Source-Self.'"**

**Oh, how wonderful! Thank you so very much!**

**“Indeed.”**

**I appreciate that so much, Malachi!**
