

## **5. The Divine Jesus Christ Teaches You How To Be A Christed Being With Perfect Health**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.  
And Barbara “Marrianna” Zimmermann**

**Malachi, Knowing that all Humanity is Heading Down a New Road of Higher Consciousness, Can you share some Advise, if you were me, what would you Do?**

**“We would say to you. . . Keep Reminding Yourself ‘I Am on a New Road, a New Birth, a New Light, New Awareness. I will Keep One Foot in Front of the Other with the Intention to Live It, to Be It and to Express It.’ Repeat that Every day, so You Will Maintain It. You will Expand It and you will Live It in such a Manner that you will say . . . . ‘Yes, I am Holy, Yes, I Am Being the Christed Vibration in this Earth Realm. Yes I Am a Master. Yes I Am a Master of My Mind, My Emotions, My Body and My Spirit.’ “**

**Do you know I can Feel the Presence of the Masters walking with me? So I Know I Am Not Alone at All! I Feel that and I Give Thanks for That!**

**“Indeed, Let us use that for a moment, Beautiful One. We have Used the Term ‘Christed Self’ and All of you have an Association with the Man that was called Jesus, do you not?”**

**Yes.**

**“Jesus Simply Lived the Christed Consciousness. Now Here we call Forth Jesus the Christ Vibrations.”**

**Whoa! Welcome!**

**“As His Presence is Here with you, we are going to Ask you to Blend with this Vibration. Feel Jesus the Christ Inside you.”**

**I have asked Him to Merge with me Before.**

**“Indeed, Now as you can Feel the Vibration Merge in Consciousness, Realize the Vibrations are the Christed Essence. It no longer is the Individual Known to**

**Humanity as Jesus. It is a Vibration of Yourself, Your Highest Nature. Feel it Radiating through the Mind, the Emotions and the Body!"**

**It Tingles!**

**"Indeed it does."**

**It looks Like a Blank Space that Goes on Forever!**

**"Indeed it is Infinite Vibration."**

**Oh, thank you so much!**

**"Every time you allow yourself to make that Conscious Awareness You continue to Activate Your Unconscious – Subconscious Levels of Yourself to Recall It and Live It."**

**Oh how Wonderful! Is it wrong that I have Asked for More than One Divine Master to Merge with me?**

**"Beautiful One, you asked for such merging. Simply Remind Yourself, ' I am asking the Infinite of the Beautiful Universe to Be One with me.' And You are Doing it in a Particular Way. You have called it Mastery. But what it is, is Pure Source, in its Individuated contents."**

**Wonderful, so I wouldn't Harm myself if I ask for more than One Master to Merge With Me?**

**"No, Indeed, you will say to yourself. . . . 'I am Simply Merging into the Source Being. My Body Then Responds with Pure Health, My Central Nervous System Responds with Pure Health my Consciousness Responds with Pure Health, my Unconscious Responds with Pure Health."**

**So Everyone can Experience that if they choose it!**

**"Indeed."**

**In Time Everyone Will!**

**"Indeed, it is the Beauty, it is the Very Beauty of the New World! So Now you are all in Celebration of it! So Celebrate and Live It!"**

**Thank you Sweet Jesus and Malachi for all these wonderful Gifts!**

## **Can We Do That Again?**

**After Merging with Jesus The Christ I was able to Hold that Beautiful Blissful Feeling and Experience Being Pain Free for approximately 4 days. So in my next meeting I asked Malachi if He could Help me again Because I wanted to be able to Live Every day of My Life Merged with Jesus The Christ and Experience Being Pain Free!**

**“Indeed, Indeed we will do that ! We have Invited Jesus The Christ, forward and He is Here again. In so doing Beautiful One, He asks you to Feel Him within as you Breathe. Breathe Feeling as though you are Breathing your lungs with His lungs. Your Heart beating as His heart as Oneness, your Mind Thinking as The Oneness with the Divine Jesus The Christ. The One who is Teaching you how to be the Christed Being. As a Christed Being He acknowledges to you, You will Hold the Vitality of your Health!”**

**“Now you will also continue to Release Blockages. So Each day, Beautiful One, Simply Remember to Call His Essence Forward. All yourself to Repeat . . . ‘I Am The Christed One! A Am The Christed One! I Am The Christed One.’”**

**Again it will continue to Move Blockages for these are simply the Blockages that we Reported to you Before. You can also say to yourself Every day, ‘I Am Sure Today Is Perfect! I Am Sure Today Is Perfect! I Am Sure Today Is Perfect! I Am Sure Today / Am Perfect! I Am Sure Today / Am Perfect. I Am Sure Today / Am Perfect.’ Remind yourself ‘Everything I Am Doing is Indeed Exactly What I Am To Be Doing!’”**

**Thank You Jesus the Christ and Malachi.**
