

51. Focus On The Empowered State

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Can you share with me the areas I need to Focus on and Improve so I am able to Help Lead the way Into the New Realms of Existence and Be able to Hold the Focus for the Highest Good for All?

“Alright Beautiful One, Focus on the Empowered State, do not Focus on the outer Realities of your Human Conditioning. Do you understand?”

Yes, that is powerful.

“As you Focus on the Inner Truth the Vibrant Higher Nature of Yourself and Live that each day to the greatest extent, then the outer Realities as always can come into Harmony.

“You will not then live in worry, concern of yourself, your spouse, your family, your friends and your neighbors. You are living the knowing that All is in perfect order and you will not wonder when it will all come into the perfect order, for you will accept that it is.”

Thank you, Malachi.
