

53. Replace Aggression with The Power of Compassion

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.
And Barbara “Marrianna” Zimmermann**

How does Humanity Replace Aggression with Protection, Force with allowance, and callousness with Caring and Balance the Divine Masculine Aspect?

“Well Beautiful One, one way is this, to quit struggling and Fighting, Believing in the Separation.

“When One has Truly ended the Separation Thinking and Feeling and Reacting, they will Indeed no longer have to Fight and Battle, no longer have to be Aggressive they will be much more Accepting.

“They will Live Greater in Grace and offer Grace to Each Other.”

Because they will know it is them!

“Indeed, Indeed, the Power of Compassion then can grow Greatly in your World.”

And that will eliminate the wars!

“Indeed, Indeed. We ask All of You to Think and Feel in the Blessed Way, with Grace for Each Other and Yourselves then you move into compassion and in the compassion you All will then Live in Peace that is called for here.”

Thank you, Malachi.
