

61. All Humanity Is From The Sirius Binary System

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Malachi, am I from the Sirius Binary System? What does that mean?

“Let us Honor the Truth, for All of Humanity is from the Sirius Binary System. It is a State of Consciousness that the Soul Passes through.

“Let us have a giggle, in the Binary System in your Human Endeavor you use Binary Systems the same as your computers. When you utilize that it does indeed connect with this Entire Universe.

“Binary means two, does it not?”

Yes.

“So there is the Masculine and the Feminine, the Yin and the Yang, the consciousness and the unconsciousness, the active and the receptive.

“It is the Polarities that you Dance in the World that you call the Humanness. Make it a Dance, not a Troublesome Reality.”

Thank you Malachi!
