

63. The Magical Light Stream Of Divine Consciousness

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Malachi, how do I tap into the Magical Light Stream of Divine Consciousness?

“Realize that you are already there!”

I guess I don’t know how to do that. Can I say I am and stand in the Light?

“Indeed because that is what the Human Minds need to be able to do. See the Light or be able to Acknowledge the Light. You see the Truth is you are already there.”

Oh, so we can plan a game and see the Light and Step into it!

“Indeed, but let yourself Feel it. Because what you have done at that moment is given Recognition of the Light. In the Recognition your Cells Respond to it.”

Oh thank you very much!
