

## **64. What Judgments Do To You and Others**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.**

**And Barbara “Marrianna” Zimmermann**

How do I draw my Cloak of Invincibility around me and Strengthen my Courage so I can stand Centered and Firm in my Higher Consciousness; not affected by the Resentment, Fear and Criticism projected toward me by Others?

“Alright Beautiful One, do Not Judge Yourself or the Others because you see Beautiful One, you are worried about their Judgments. In the moment you are Worried about their Judgments you begin to Shrink, where is your Courage?

“So when you Release their Judgments you are not Judging them. Because at that very moment you are Judging them you say ‘I Release it’. It is Not about Cloaking or hiding any part of you. It is about Being you and the comfort of you. In Knowing that you can stand and Radiate it Regardless of how Others Hear it, See it or Feel it! Do not worry about their Fear. It doesn’t matter.”

It does not matter, Thank you!

“Be the strength of the Light that is the way you were Born with this Knowledge. That is why your Soul Intended for you to use it in this Incarnation.

“Bless those who you Fear, you say unto yourself ‘You are Blessed Light. I Recognize it and I know that our language is not the same but our Truth is!’ ”

Thank you so much Malachi!
