

## **66. Still The Mind and Still The Emotions**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.**

**And Barbara “Marrianna” Zimmermann**

Malachi does Beloved Moses have a message for me?

“Indeed He honors the Statement ‘Be Still’ in that He is Indeed Indicating Still the Mind and Still the Emotions So that you may be Receptive to the Healing Vibrations. For Moses continues to vibrate Healing Energies through you.”

Thank you!!

“Be patient He says unto you.”

I will try my Best.

“He also says to you, Move into the power of Faith in the Medical Team you are working with. Have Faith that they are Guided. Guided by the Divine and that Beloved Moses is Indeed assisting in the Guidance as well.”

That is why I got the phone call last night, isn't it?

“Indeed.”

Thank you! I knew that right away. Thank you for that or I would probably have been in the Hospital last night.

“Indeed, Indeed.”

Thank you Beloved Moses and Malachi.
