

8. Experiencing Physical Immortality

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

How do I create and master a State where my Consciousness and Physical Body are thoroughly Purified of Disease and the Death Imprint and Impulse, so I can Experience Physical Immortality?

“Now Beautiful One, you See Once Again what must occur in the Memory of your Unconscious, it is Simply Not Just Your Unconscious, it is the Collective Unconscious in the World of Matter. It is that Unconscious that All of you can Serve by Realizing you Live Eternally, you are Life Eternal. You are Light!”

“Then Beautiful One as we said to you before on this day, you Feel the Light Moving Through you, through Every Cell of Your Body. You Recognize its Vitality, meaning that it keeps you, your Human Body Healthy, Perfect, Vital and Strong. The More you are practicing that the More your Anchoring that in you and in the Collective. The more your Collective will Merge with that Knowing.”

“The Longer Each of you will Live Life on the Earth. You will return to what was once known as Possible to Live for 700, 800, 900 or More Years.”

That is what I want. But I want to Be Healthy.

“Indeed. Indeed. Yes you Return knowing Everything Is In Oneness and the Beauty of the Earth Plane. Yes it has its cycles and phases of what is Termed Life and Death it is Simply Moving Energy from One Form of Its Self to another. Can you maintain this Beautiful Solid Matter of Yourselves for a very Lengthy Time in Healthiness? You can Indeed!”

“Then you will say to yourself, ‘Alright I am Going to Help myself know and Remember that and In so Doing I will Help My Collective Field Know and Remember. ‘ Then that Begins to Shift at a Greater Levels!”

Great! I am so Thankful for you Malachi!
