

9. Lord Jesus Sacred Ceremony For Honoring The Blessings of The High Christ Consciousness

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.
And Barbara “Marrianna” Zimmermann**

“Lord Jesus is Stepping Forward with this message for you!”

“He is asking of you to do a very Sacred Ceremony for yourself. Will you take what is called Bread and a bit of a Glass of juice, Grape Juice. Will you then sit with your Bread and Juice for a few moments Honoring the Blessings of the High Christ Consciousness. Then will you take a Piece of the Bread and will you make the Acknowledgement:

‘This Bread Represents my Holy Body the Temple of the Divine Source that I am. This Juice Represents the Blood that courses through me. Together I recognize the Vitality of the Life Force the Christed Essence that I Am.’

“Honor such a Blessing Beautiful One for in so doing you will Enliven the Christed Awareness of yourself. Know the Beauty of the Higher Truth for you are the Body and you are the Blood of Divinity!”

I am Grateful! I Am Grateful! I Am Grateful!

Thank you so much Lord Jesus and Malachi
