

3. Do I Have Any Multidimensional DNA?

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Do I Have any Multidimensional DNA? If so, Does it Have Dimensional Alignment or Coherent DNA?

We Will Give a Chuckle, Multidimensional DNA is Simply That of Your Highest Essence The Divine!

Perfect!

Do You Have It, of Course You Have It. Do You Live It? Not Totally But It is Part of The Human Condition and Yet The Advancement of The Collective Field, is Working Towards This Light Awareness, This New World Awareness. You are Allowing Yourselves to Activate The DNA, RNA Sources Within Your Own Beings and More and More It Is Occurring.

You Do Not Have to Rush it. You Do Not Have to Make it Here and Now, It Is Occurring it Is Arising Within You. The More You Live The Integrity of Your Higher Nature, The More You Realize What It Is. Not That it is Gone or That it Must Integrated But That It Is.

So I Do Not Have to Do Anything But Be Aware of it!

Be Aware, Live Your Solidarity, Honor Your Sacredness, Be in Reverence for The Wholeness!

So Being Aware of it Makes it The Highest Good.

Indeed.

How Do I Find The Multidimensional Vibrations That Work Together, or Do They Work Together?

They are All Working Together Beautiful, Yes. The Dimensionality is Going to Be a State of Your Being That is Going to Be More and More Important to All

of You. Ask Your Friend Katherine Why Did I Tell You That and She Shall Give You an Answer for The 2015 Year Ahead of You.

Wonderful, can You Tell Me What Some of The Multidimensional Laws are?

The Law of Oneness!

Oh, Thank You so Much Beloved Malachi!

I AM Your Beloved "Marrianna"
