

4. Developing My Inner Sight

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Developing My Inner Sight Like Katherine can Look Within Me, I Want to Be Able to Create That Ability.

Alright, it is a Constant Practice of Blending With Source. A Constant Practice Allows You Not Only to Recognize The Vibrational Exploration Within Your Own Being But As You are Blending More and More With Source, then You are Going to Be Able to Blend With Others for They Are Source Personified. As That is Occurring You Will Indeed Begin to FEEL The Energies of Their Sublevels and Be Directed By How Indeed Your Words Might Help Them Discover What is Occurring Within Them. The Sight, The FEELING Energy of Healing, All of That Will Come Together.

What is The Practice Needed, of Course Your Meditation With Intention to Live It in The Vibration of The ISness.

Because We are All One and of Course You Would Be Able to See. But You Can Not Do It Until You Do It With Yourself!

Indeed.

I AM Getting It! (Laughter) Thank You for Your Patience With Me Beloved Malachi!

I AM Your Beloved "Marrianna"
