

6. Knowing My New Purpose In 2015

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Knowing My New Purpose in 2015 and Bring it to the Surface of My Prolific Talents of Healing, that Have Been Dormant or Unrealized and Re-Charge My Uncompleted Points of My Soul Contact that I Have Not Achieved Yet, so I can Be Open to Receiving New Wisdom?

Beautiful One, First Let Us Honor This, You Already Have The Intentions. That is The Most Important.

Oh, I Do. That I Know I Have!

So, What You are Going to Do is Let it Unfold as Though What You are Doing is Uncovering The Next Level of Your Soul Intention. Right Now The Soul Says to You, Be in Your Meditation, Create Your Harmonies in Your Environment, That Includes Your Inner Environment of Self and The Environment of Your Home and The Environment of The Community That You Align With. Let This Unfold for You. Take One Step at a Time Without Worry. Do Not Be in a Rush, Know That This is Already Occurring and it Will Indeed Unfold Itself. Your Healing Capability is Going to Grow. You Desire to Communicate With Much More Clarity to Your Friends and The Groups of People You Wish to Inspire. This Will Grow Again. Do You Understand?

Yes.

Here Your Soul Says, "Get Your Footing First , Get Your Footing"!

Be Grounded Huh!

Indeed.

Thank You Beloved Malachi!

I AM Your "Marrianna"
