

## **10. Process To Experience Spontaneous Remission of All Illnesses on All Levels**

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Can You Assist Me in Asking Permission From My Innate to Go Mining in My Akashic Records and Allow Me to Experience Spontaneous Remission of All My Illnesses on All Levels. Then Allow Me to Merge and Communicate Consciously With My Innate for The Highest Good for All so I Can Ask My Innate to Please Place These Things Into My Cellular Structure.

**Alright Now Beautiful One, The Innate Quality of Yourself is Your Higher Center of Your Higher Self.**

**Now to Live That is Simply for You to Honor It, to Continue to Maintain It. As You Do, it Means That Your Living In Your Consciousness With Your Highest Essence All The Time.**

What Would My Higher Self Like Me to Call It?

**Well Beautiful One, Call It Innate if You Like. Let us Give You a Honoring With It. You May Use The Term Innate and You May Say with This, I Carry My Hand to The Hand of My Divine Center, Source. I Allow The Beauty of The Transformations That are Occurring Within Me, I Allow The Beauty of The Prolific Center of My Higher Self to Come Forward and With Every Breath \_\_\_\_\_ I Breathe, I Recognize The Highest Nature of My Innate Self. It Purifies Me. It Purifies Any Illness in My Body. It Settles and Calms and Harmonizes The Mental, Emotional Self of Me. I Let it Be My Signature of Life and I Look Upon My World as Only Developing From My Innate Self.**

That is Wonderful! Would it Be Appropriate to Call My Innate "Being"? But it is Not a Being Though, is it? It Something Needs to Go With it to Make The Point That it is Mine.

**The Reason You are Doing That Beautiful One, is Because You are Seeing The Separateness.**

Oh, That's Right! Thank You! Well **I AM** Glad I Did Not Get It - So Now I Can!

**So, You Will Say Again, I AM Calling Forth My Oneness. The Oneness of The Source Quality That is Acting Out as Me.**

What I Do Is Breath In Lord Jesus and Breath Myself Into Him. I Should Be Doing That With My Higher Self and My Innate Self!

**Indeed, Indeed, Indeed!**

Then That Can Merge Then I Can Recognize That We are One!

**Indeed.**

Thank You Very Much!

**Then You are The Breath of Life, Beautiful One.**

That is What I Want to Be!

**Indeed, So You Will Do That and You Will Have Recognition That Your Human Body is Fortified With Health, Wholeness, The Completeness of Who I AM.**

I Will Accept That! So We Do Not Have to Ask Permission, We Just Need to Do it!

**That is Correct!**

Thank You Beloved Malachi.

**I AM** Your "Marrianna"
