

# 11. How to Sense Quantum Energy

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

How Can I Sense The Quantum Energy Within The Field That My Innate is Broadcasting About My Health? Can My Innate Tell Me About Others Health or Am I Only to Know About My Own Health?

**First You Must Know About Your Own Health and Have it in Such Harmony in Yourself That You Will Recognize its Vibrations in Others. For It Is The Source.**

**It is Never a Lack of it. It is Only a Lack of Awareness of it!**

**So How Do I See That Just By Recognizing it?**

**You are Recognizing It, That is Correct. Then You Have The Quantum Consciousness You See. The Quantum Consciousness Simply Means That The Leap of the Human Mind is Recognizing It Is Source Self.**

Thank You Beloved Malachi!

**I AM Your "Marrianna"**
