

12. Merging and Melding With My Higher Self, My Innate and My Human Consciousness

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Merging and Melding With My Higher Self, My Innate and My Human Consciousness? How Do I Assist My DNA to Work at a Higher Efficiency in Building Bridges Between Them?

Beautiful One, Every Time You Have a Recognition of That Innate Quality Your Higher Center Self, You are Allowing The DNA of That Source Self to Activate. When You Do That, Yes You are Activating Through Your Source Self and Your DNA Comes Into its Perfect Harmony.

Oh, It is All and Inside Job!

Indeed, Indeed! We are Going to Tell You Beautiful One, That You May Do This of Course in Meditation. This Will Allow Yourself to FEEL It, To Unify in Vibration and Alignment With Your Transpersonal Chakras.

If You Will Go to The Ninth Chakra of Yourself You are In What is Called The Universal Rhythm of Life. In The Universal Rhythm You are Connected to Your DNA and Its Natural Rhythm. It Can Assist You In Harmonizing of The Beauty of Yourself. The Humanness, That is an Innate Quality of Source.

We Want to Repeat The Statement.

You are The Innate Quality of Source!

Oh, What a Beautiful Statement!

Thank you Beloved Malachi!

Indeed.

I AM Your "Marrianna"
