

## **14. Process to Bring Healing Light Through Your Hands to Heal Yourself and Others**

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Can I Bring The Healing Sacred Light to Myself, I was Not Sure?

**Always, Always, When One Stands in The Light of The Rays of Sacred Light They Must Receive Healing Light!**

### **Process**

**Now Let Yourself Take that Deep Breath and Enter Into Your Heart. We are Going to Have You do a Practice You are Already Doing. Breath In The Breath of Lord Jesus, The Christ, FEEL His Divine Presence Within You, Become It and Remember - He Is a Great Soul, of Great Healing!**

**As Your Vibrations Merge, The Vibrations of The Healing Waves are Passing Right Through You. Allow Yourself to Maintain The Sacred Attitude of Such Oneness and The Beautiful Power of Unconditional Love.**

**Then From That Intention of Your Consciousness and The Beauty of Your Inner FEELINGS, Let The Rays of Healing Light, Glow Your Body, Pass Through Your arms and the Palms of Your Hands. You Can Recognize Already The Palms of Your Hands are Becoming Warmer and Warmer.**

**Then You Will Place The Palms of Your Hands on Places of Your Own Body, or Place of Your Spouse's or Places of Others Bodies. To Let The Radiance Pass Through and Anchor Into and Be Utilized By Whomever You are Touching!**

**Wonderful! So is There Something I Could Do, For My Spouse Zim Whose Head is Raw From His Cancer? Especially When I Change His Bandages so It Will Help Heal His Head and Body of Cancer?**

**Indeed, Here You Would Not Put Your Hands Upon The Head for it Will Sting His Head, Would it Not?**

Yes, It Would!

**Yet You May Stay in a Range of Approximately 1/2 Inch From His Head. Then Allow Yourself to Merge With Lord Jesus, The Beauty of The Glow of The Radiant Sacred Healing Lights and Let it Wave Right Through You and Into His Head.**

Okay, so I Could Put My Hands on His Bandages?

**Indeed, Indeed!**

I Will Do That, and is There Anything I Could Say to Make The Healing More Powerful?

**You May Give Honor By Saying This: The Christ Within You, Zim Rises To The Great Power of The Healing of The Divine I AM Presence and**

**Heal, Heal, Heal!**

Oh, Thank You So Much, I Really Appreciate That!

**As You FEEL The Radiance Moving Through His Head, Be Also Aware of How it is Merging With His Human Body. The Cells of All His Body, Not Simply That of His Head.**

Wonderful, Well That is Needed Because That is Where The Cancer is and All Throughout His Body.

**Indeed, Indeed!**

Thank You Beloved Malachi For All You Do!

**I AM Your "Marrianna"**
