

4. How To Activate The Points on Your Hara Line

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Widening the Column of Light Which Contains My Life Line to The Creator, So it is as Wide as The Crown on My Head? Then The Luminescent Sacred Fire Can Give Me Access to My Treasures Stored in Heaven.

Beautiful One, There is a Term Here Upon Your World That is a Teaching of a Very Ancient Philosopher. It is Called the Teaching of The Hara Line. Do You Know About This?

I Do Not Know a Lot About it But I Know of it.

Alright It is a Channel of Light That is Constantly Flowing as We Would Talk About it. You Would Think of it Way Up in The Highest and Beyond Highest of Your Earth World. You Would Call it Unto The Heavens Would You Not? Into The Center Point of The God-Goddess All There Is. So From the Very Far Reaches of The Ethereal Realm to the Very, Very Depths of The Beautiful Matter World. It Flows Right Through You. Right Through Your Bodies into the Iron Core Crystal Grid Unto Yourselves. How Do You Block It? You Already Know How You Block Spiritual Energies, It is By the Process of Believing What Your Living is Separate From What is Divine! It is By The Process of Your Life's Earth Journeys That are Chosen By Your Soul-Self and By Your Personality-Self as You Go Through Life. But it is Never a Channel That is Not Activated and Can Not Be Re-Vitalized or Activated Into All Beings.

You Have What is Called This Full Channel and There are 3 States of This Channel. That are Called Sparks of Light Meaning Igniting The Vibrations to Move Through Your Humanness, Your Mental, Emotional and Your Physical and the Whole Being of Your Humanness.

One is Activated Through What is Termed Your 8th Chakra and That Activates The Soul Intentions to Be Embodied, it Activates The Soul Plan For All Your Life. It Activates The Channel as You Would Call it Between Your Human Self and Your Divine Self, Your Beloved Source Self.

The Next Spark is Right a Touch Above Your Heart and Yes Beautiful One, it Does Activate Your Field into The Vitality of Living, So it Activates That Heart to Live Your Vitality. It is Also What You Might Call Activation of Your Christed Self. That You Might Live in His Being, Oneness Love, Light, Peace, Harmony. The Expressions of Oneness is The Harmony of Everything! The Harmony of Health, of The Emotions, Health of The Whole Being, The Creator Living on Earth.

The Next Spark is Indeed The Spark at What You Will Call Your Lynch Pin, With Your Second and Root Chakra. Activating What is Called the Alluring Truth of You. Your Life Plan, Your Life Decisions, Your Soul Decision For Everything You Have Already Lived and Will Be in This Incarnation. There are Times When Human Beings Shuck These Sparks off, Why? There is The Belief in Separation. There is The Belief in the Limitations. It is a Belief in, I Don't Know. Each Time You are Working With Your Higher Mind, The Highest Heart and The Higher Intentions You are Sparking These 33 Points That Allows For Greater Igniting of Your Hara Line or Union. Matter and No-Matter, Source Embodied. Does This Help You?

Yes Very Much, Can I Invite Them to Activate?

You Most Certainly May Beautiful One.

That is Exactly What I Want and I Want to Have the Most Direct Way to Focus. How Can I Communicate With Them, That I AM Open and Ready and Can They Assist Me?

Well, the Communication Belong to its Own Self.

Oh! I Just Ask Them, Talk to Them?

Indeed Vibrate Within Your Inner Being Beautiful One and Notice Their Points of Light. Notice The Full Channel of Light That is Passing Through. Then Come To These Points of Yourself and as You Do Beautiful One Send a Blessing of Light & Love and Peace and Harmony Into Each One of These Points.

Would it Serve Me to Ask My Beloved Soul-Self to Go With Me as I AM Doing This?

Indeed Here Beautiful One, it is Your Attention Given to These Points of Light. It is Your Blending and Your Allowing and Your Desire. Be Open, Be Activated and Allow Me and My Personal Mind to Know You. My Personal Feelings to Feel You, and My Personal Essences to Be.

Thank You Very Much Malachi!

Malachi,

What is the Best Way to Tap into My Sacred Mind and Stay Centered Within My Sacred Heart?

By Activating the Points on Your Hara Line!

Thank You My Beloved Malachi!
