

8. Activating Your Physical Body's Encodings of Higher Vibrations

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Activate My Physical Body's Encodings, For My Return to The Higher Vibrations, More Rarified Realms of Light From the Inception of My Earthly Embodiment Experience?

I'm Going to Use a Simple Term.... Blend it, Live The Light That You are, Live The Essence That You Have Discontinued. The Belief That You're So Fragmented That You Do Not Have it.

Oh! It is the Vacuuming Out of All The Distorted Beliefs and Lower Frequencies I Need to Release Again!

Indeed, Indeed, You Remind Yourself, You are This Light Frequency and Beautiful One, You are an Illuminary! You Must Simply De-Fragment the Message Within, That is Keeping You Back From That True Knowing!

Because We are Already Everything. We Just Need to Accept it! I Can Hear My Beloved Zim Saying "Get Out From in Front of Yourself" He is So Right!

He Has a Good Way of Saying it, Does He Not?

Yes, Thank You Malachi My Beloved Malachi!
