

14. What Does My Physical, Mental and Emotional Auric Fields Need?

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

What Does My Physical, Mental and Emotional Auric Fields Need For Their Well-Being, to Operate in Perfection to Ensure My Growth and Well-Being?

Alright We are Going to Talk About Positive Karma. We're Going to Remind You of This, Here You Already Know That Karma Does Belong Under The Law of Cause and Effect. In That Vibrational Energy You Must Keep Yourself in Casual Empowerment. You Do That By Positive Thoughts, Transforming Any Negative Emotions to a Positive Vibration, Then You're in a Magnetic Field of The Universe to Draw the Positive Effects Into Your Life.

Simply Staying Alert For Each Day Will Bring its Own Challenges Will it Not? Each Day if You Look at Them as Gifts, Then Bless Them With Your Light of Awareness! Then Take in What You Need to Learn and Throw Away What is No Longer necessary.

Thank You Very, Very Much Malachi!
