

16. Process To Listen To a Thought and Allow a New Dimension of Consciousness To Come Into You

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

How Do I Listen to a Thought, So I Can Allow a New Dimension of Consciousness to Come Into Me?

Alright, Allow Yourself to Be Centered and Re-Centered and Then You're in Your Thought Contemplation With The Universe. Remember Your Sending a Thought, Then Take and Allow the Beautiful Information to Pass Through Your Mind. You'll Feel it as Though it is Your Own Thoughts. That They Will Be Inspirational, You'll Know Then Beautiful One, This is The Divine Mind You are Connected to it's Thought Forms!

I AM So Thankful, Thank You So Much My Beloved Malachi!
