

20. Ascension Is The Understanding That You Are "Source"

Beloved Malachi Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Understanding the Science Intricacies of Ascension, So I Can Meet The Challenges and Tests of Ascension More Easily?

Alright Beautiful One, Ascension is Just What We are Talking About. An Awareness That You are The Source, You are The Creator and The Created One. You are The Created One and You are The Creator!

What are You Going to Do About it? Similar to What We Just Said, You're Going to Remember That!

Merge With it!

Indeed Merge With it! Let Yourself Be More and More Fully Aware of it. Again When Any Form of Separation Challenges You, Making You Feel Separate, You Will Come Back and Say I AM, I AM, I AM, That Light, That I AM!

Thank You Very Much My Beloved Malachi.
