

## **10. Communications from Lord Jesus**

The following Paragraphs are Excerpts from Meditations in which Jesus Communicated Wisdom and Information.

It is My Hope and Prayer they may Bring You Wisdom, Peace and Blessing as Well.

### **The Love of God Shines in Our Lives**

A Communication in which Jesus Reminds that He Loves Each Individual Regardless of Who or What He or She Is. This Wondrous Love is then Reflected in the Actions, Words and Lives of All the Children of Light.

Dear Lord Jesus, do You have a Message for Me this Evening?

**You are My Beloved Son. In Love Thou Wast Created and in Love Allowed to Founder and in Love Redeemed and Brought Back Into My Fold. Trust in the Lord with All Thy Might and Lean Not Unto Thine Own Understanding. Remember that Verse? Heed It and Be Content With It, for Faith and Trust will take You far in this World and Into Eternity in the next.**

**I Love You, Not Just the World, Not Just the People of the World, Not Just the Christians, Not Just the Children of God, but You. You Individually, Personally. You with All Your Faults, Weaknesses, Shortcomings and Everything Else That You Are and Aren't. I Love You and as I Love You, so Love Thee One Another. Let My Love Be Your Example and Let It Shine in Your Heart and Mind and Give Your Countenance a Gleam, a Shine, a Glory, that will Show Itself To Everyone Who Sees You and Wherever You Go and Whatever You Do.**

Thank You Dear Jesus Sananda.
