

14. Patience! Patience! Patience!

Raphael urges Us to be Patient, for the Lord will Do What is Best, When it is the Best Time.

Dear Raphael, What am I to Learn, now, this Moment?

Patience! Patience is the Word. Wait for the Colors, the Coming of the Beings of Love. Wait Until They Know the Time is Right and You will Be the More Blessed. It Is Ever Thus.

So often You Think You Know What Is Best and When it is Supposed to Be and Come and Occur But so Often You are Guessing, Feeling on the Third Dimension and Not with Your Uplifted Spirit and Soul and Knowing. Patience is a Virtue, as many have Said in the Past. But it is a Virtue You will Cultivate and Nurture and Revel In.

"All Good Things Come to Them Who Wait," someone once said. That is Not Always True but True Often Enough for Human Purposes and Understanding. As the Child Waiting until the Mother has properly Heated the Midnight Bottle, Not too Hot, Not too Cold but Just Right for the Child in Arms, Then and Only Then, Will She Give It To Her Hungry Loved One.

So it is With the Lord and Source and Love of All. When the Time is Right, Just Right, Just Perfect, Without a Shadow of Danger or Darkness, then Will It Come to You Below. And it Will Be Perfect, for it Comes from the Perfect Love of God Almighty, the Lord and Source of All and the I AM.

Thank You My Dear Friend Raphael
