

16. Confirmation – Is It Truth or Fiction?

I have Wrestled Long and Hard and Often over the Question, "Is it Really Jesus and Raphael who Speak to Me?" My Human Mind says No but the Meditations Speak for Themselves.

Jesus, I have a Favor to ask of Thee. Is it Really You Who is Speaking to me? If it is Give Me Thy Signal, the Tingling on the Top of My Head

There It Is! I Feel It! I Feel It!

Thank You, Dear Jesus, Thank You!

Dear Raphael, do Me Also the Favor. Tell Me Clearly, Are You Really Raphael, the One Speaking to Me? If so, Give Me Your Signal, the Tingling at the Back of My Neck.

So There It Is! I Can Feel It! It Is There!

Thank You Dear Jesus. Thank You Raphael. I am Truly Blessed
