

19. Protection on the Pathway of Light

Although the Pathway of Light is a Wonderful, Glorious, Joyful Journey, there are Some Dangers and Perils to Consider. There are in the Third Dimensional World, Entities and Forces that are of the Dark and Not the Light. These Entities Seek to Keep Man Locked In the Prison of Third Dimensional Limitation and Duality. They Do Not Want Man to See the Light that Dwells Within.

The Strange thing is that Even these Dark Entities Have the Light Within Them but they Don't Know It or Won't Let Themselves See and Accept It, so They Keep Themselves and as Many Other Beings as Possible in the Dark.

It is Important to Learn How to Protect Ourselves from These Entities.

Jesus Sananda Spoke of Danger in the Following Communication.

I would that You Think on the Concept of Danger for a Time. Danger is Something Every Human on the Earth Plane Lives with Every Day of His or Her Life. It is a Concept that Brings Fear, Terror and Afraidness Into the Hearts and Minds of People on Earth. From Childhood on, Humans Train their Children to Beware of a Great Host of Things because they are Dangerous. They can Harm, Hurt, Destroy and do All Manner of Evil and Distasteful and Wicked Things.

Children are Warned to Beware of the Danger from Cars in the Street, from Rough Games and Sports, from Leaning too Far Out of Windows or Over Cliffs, from Not Eating Properly and Not Exercising and of Coming into Contact with Those that have Contagious Illnesses. You Warn of the Dangers to Life, Limbs, Mental Stability, and a Whole Host of Things too Numerous to Count or Enumerate.

My Son, there is No Danger but that the I AM of All Has Freed You From It and will Protect You from It at All Times and Places and Ways. Think You Not that the Power of God is Helpless in Protecting His Children from the Dangers of the Earthly Plane? Indeed, such a Thought is Beyond Comprehension for if it were True, then

there Would Be No God at All but Only Frightened Children and People who will Experience Danger and Indeed be Harmed over and over Again.

Yes, it is True that Harm and Injury and Sometimes Even Death come upon the Children of Men from Sources of Dangers that You Warn Your Children of. However, I would Remind You that these are things in God's Hands and According to His Divine and Loving Will. These things Can Be Balancing of Karma. They can Be Lessons People Have Come to Earth to Learn. They can be the Means of Allowing the Light of Love to Shine Brighter and Clearer through a Light Worker. Yet in Every Case, My Child, they are but Dangers and Harms and Evils to the Physical Body and Never to the Spirit or Soul.

There is Only One Real Danger to Spirit and Soul and that is Refusal To See and Accept the Light of Love that Dwells in Every Breast. It Happens Only when a Person is Too Frightened to Look Within. It Happens when He Sees the Light Within but Then Turns His Sight Outward and Refuses to Acknowledge It. Those are Sad Times and Events in the Realms of the I AM for They are Rejection of the Love which He Has For Each and Every Soul and Spirit and Person in All the Universes Everywhere.

Think Not that Even in the Face of Such Rejection, Such Refusal to See and Accept, that Divine Love Does Not Burn Even then Yet Within Their Breasts and Souls and Spirits for Indeed It Does. Rest Assured the Day Will Come when Every Last Being Will indeed See Their Light and Receive It, Accept It and Allow It to Burn Within and Without Their Beings.

Danger then is Real Only on the Earth Plane and Then Only in Respect to Physical Matters. These things Pass Away, these Things are used by Mankind for Lessons, for Learning, for Examples and for All Manner of Blessings to Themselves and to Others.

Thank You Dear Sananda.

Jesus Sananda again Speaks of Danger and Evil. This time He Speaks more about Spiritual Dangers.

Be Careful, My Child, for the Universe is Filled with the Forces of Darkness and Evil. Guard Yourself Daily, Hourly and Indeed Always, lest Evil Betide You and Overcome You. Be Not So Trusting that You Forget to Look for the True Light of Love and the Truth of My Word in All that you Hear and See and Receive. Be Also Careful, My Child to Gather in All the Good and Blessed Energies and Thoughts and Ways into Your Mind and Soul and Life and Body and Living. Continue to Ask For My Protection and the Protection of the Father and of Raphael and of All the Beings of Light and Love. Above All Remember I am the Good Shepherd, My Rod and My Staff Will Comfort Thee and Protect Thee and Be Your Protection Throughout Life on the Plane and Indeed, Throughout All Eternity.

One of the Ways of Protecting Ourselves is By Asking that Dark and Negative Entities Be Healed and Sent To The Light.

Thank You Dear Jesus.

I had been Coughing Throughout the Following Meditation. Jesus Sananda Explained the Coughing and How To Handle It in these Words.

Your Coughing is a Reminder there are Dark Forces in the World. There are Entities and Beings which Do Not Wish You to Record My Words. They are Trying to Keep You From Speaking. You Did Well to Send Them Healing and Into The Light and So It Shall Be with Them. And You Will Be Able to Speak More Clearly Into Your Recorder in the Future.

Never Let Down Your Guard. Be Alert to the Fact that They Exist and That They, Even though They Appear to be Only Evil, Also are To Be Shown The Light. I Remind You The Light of God Is In Them Also. Heal Them and Send Them Into the Light so They Too May Begin Walking the Pathway of

Light and Become No Longer Entities and Beings of Darkness But Of The Light. But Be Alert to Them for They Are Powerful and They Are Numerous and They Will Keep Coming To You but They Will Never Fail To Leave as You Heal Them and Put Them Into The Light of Christ.

Thank You Dear Sananda.

Both Jesus Sananda and Archangel Raphael Not Only Warn of Dangers, Darkness and Negativity on the Earth Plane and on the Pathway of Light, They also Provide Instruction and Guidance in How to Get Rid of the Dark and Negative Entities that Burden Us.

In Most Cases it is Done Simply by Calling on One's I AM Presence to Heal the Darkness and Negativity and to Send Them to The Light. The Difficulty is that Many of Our Vows and Agreements are Multi-Layered, that is, they Must Be Peeled Away Like An Onion until They Are Entirely Gone. Sometimes it may seem like we have Healed Every Negative Thing in Our Lives But then More come Up and still More and More. It seems to Be Never Ending. This is Why Jesus Sananda and Archangel Raphael Describe Them as Stubborn, Sneaky and as Children. They are Merely Trying to Impress On Us How Important It Is to Heal Every Entity We Can Think of and to Keep on Healing and Sending Them to the Light as Long As We can Think of Any and as Long As They Bother Us.

In the Following Communication, Jesus Sananda Speaks of this Process. He Describes These Beings in Human Terms so We Better Understand What They are Like.

You Continue to Struggle With Vows, Agreements and Entities that Have Plagued You Your Entire Life on this Planet. You are Being Successful in Overcoming Them, Healing Them, Sending Them Into the Light. As You are Learning, it is Not a Very Easy Nor a Very Quick Process. It Requires Dedication and Continuous Application on Your Part, Lest They Come Sneaking in Through the Back Door, or the Side Door or Through a Window Left Ajar, for They are Fearful Beings, Fearful that if They Cannot Continue with Their Harmful Ways In Your Life, that They Will come to Nought.

Though They be Beings of Light, They Know It Not and They Fear because They Know Nothing Except this which They Keep You In Bondage and In Ties and Bonds. To Them this is Their Life and Therefore, They Will Cling To It and They Will Delay In Every Way Possible and They Will Seek To Return Once You Have Sent Them On Their Way, so You Must Be On Guard and You Must Continue As You Have, Healing Them, Sending Them to the Light and Asking the I AM of All to Help You to Send His Christ-Light, So Strongly Into Your Life and Heart and Being That These Negative Entities and Dark Spirits Cannot Stand Up Before It.

Continue Therefore, as I Say, with Your Struggles, with Your Healing and with Your Sending Them On Their Way and You Will Ultimately Be Successful.

Thank You Dear Lord Jesus.

Archangel Raphael also Provides Loving Encouragement to Continue the Practice of Healing and Sending to the Light Every Entity and Being that is Dark or Negative in Our Lives.

Do Not Be Discouraged with Your Progress in Breaking the Entities and Beings that Held You In Bonds and Ties for So Many Years. You have Broken Many, Most of Them, but Some will Remain for some Little Time, Clinging to the Hope They Can Remain and Continue Their Workings in the Third Dimension and Not Going to the Light as They Know In Their Heart of Hearts They Must in Time.

They are like Stubborn Children who Would Delay Bedtime a Little and Then a Little More and More as Long as They Think They Can Get Away With It and Not Go to Bed where They Know They will Have Comfort and Ease and Soft Covers to Cover Them in the Night. Nevertheless They Try to Stay Up, Though Tired and Ready For the Rest They Know is Needed.

So with the Entities that Inhabit Earthlings, Especially if They Have Been There for a Long Time as Yours Were. They Know in Their Innermost Being that They are Children of Light and that They Will Have To Give Up Their Dark Activities Sooner or Later but like Little Children They Delay and Delay Even When They Know It is Better to Be in the Light. It is Illogical and Inane and Senseless but that's the Way Humans and Entities of Darkness are Until They Accept Their Lightness and Step Onto the Pathway of Light and Love.

So Don't Be Discouraged if You yet have some of the Symptoms You Tried to Break and Get Rid Of. Trust Me, that Many, indeed, Most of them Have Been Healed and Broken and are Now On Their Way Into Their Own Christ-Light. Those Remaining will Soon Join Them but Not Without Delaying as Long as They Can. As Marrianna says, Just Send Them On Their Way To Be Healed and to Meeting with Their Own Lightness. They will Quickly Learn Their Days Here of Keeping You In Bondage and Servitude are Over and You Will Be Free of Them Forever. As to Other Bonds and Ties and Entities that have Taken Residence in Your Heart, Mind, Body and Soul, There are Many But they too Will Be Revealed to You and You Will Be Able to Break Them Also and Send Them on Their Way to the Light with Healing in Their Hearts and Souls as Well.

Thank You Dear Raphael.

Although I Thought I Had Broken Most of the Negative Entities that Had Clung to Me, yet More and More Kept Coming Up in My Mind and Life. They would Come in Different Forms and Guises and Aspects. It seemed to Me There were just as Many After Months of Healing and Sending to the Light as there Were Before I Started.

Jesus Sananda Recognized this Frustration and Seeming Inability to Think of All of Them in All Their Different Aspects and Depths in this Next Message.

In the Matter of Vows and Agreements You Will Not See the Benefit and Blessing Until After You Break and Destroy Them. Only Then Will You Be Able To See and Feel and Understand How They Have Held You in Their Sway, Often, Very Often, to Your Detriment. Only Then Will You have the Lightness, the Freedom, the Openness to Let Your Light Shine Forth Even More Than It Is Now.

Thank You Dear Sananda.

In this next Message, Jesus Sananda uses an Incident from a Golf Game to Illustrate How Healing and Sending Negative Entities to the Light will Make Life Easier and More Pleasant for Ourselves and for Everyone Around Us. He also goes into Some Detail in Describing the Steps in this Process.

My Dear Son, You were Less Than Patient Today with Your Companions and Friends and Yourself. Your Frustration Over Poor Play and Slow Play was Very Evident to All. The Consequence was that You Played Even Worse Until You Remembered to Heal and Put All Entities that were Operating to Your Disadvantage and Negativity in the Light. Remember How Peaceful and Easy Everything Became Once You Put All the Entities Into the Light?

So it is on the Earthly Plane. Negativity, Darkness, Blindness Go Hand in Hand with Being on the Earth. The Beings and Entities of Darkness Delight in Arranging Vows and Agreements with Earth People To Their Detriment. They Delight in Compromises and Agreements that Will Not Allow the Light that Dwells Within All People, to Come Forth and Blossom and Beam Out To The World. They Delight in Keeping Man In Darkness and Blindness.

The More You Allow Them to Control You and the People Around You, the More You Shall Remain In Darkness, and Blindness. The More You Fail To See the Brightness and Bliss of the Light and Love which Dwells In Each One and Only Awaits

the Desire, the Intent, the Willingness of Each Individual to Come Forth and Bring Peace and Quietness and Happiness to All, the Longer You too Will Struggle Against These Powers.

It is a Simple Thing to Break the Hold of These Entities and Beings. It is Merely the Wish, the Intent, the Simple Word, I Heal Thee, I Break Your Hold On Me. When a Child of Light Speaks or Thinks These Words Toward a Being of Darkness or Toward a Vow that Holds One in Darkness, the Effect is Instantaneous. The Vow is Broken. The Darkness, Sorrow and Blindness is Healed and Taken Away.

Breaking such Vows and Agreements is Only the FIRST STEP, However. To Heal is the SECOND STEP but Even that is Not Sufficient, for it Allows Those Vows and Entities To Remain In Their Blindness and Contrariness. It is Important To Go on With the THIRD STEP in the Process and That Is To Send Them To the Light.

No Power of Darkness, No Entity Can Resist or Refuse the Direction of a Child of Light when He Sends Them Into The Light. It is Irresistible For It Is the Power of the I AM PRESENCE that is Brought Into Action. The Entity Must Go.

As You Well Know, this Sending to the Light is Nothing More Than Directing Beings or Entities Back to the Light which Dwells Within Themselves. It is Surely Breaking the Hold of Darkness on them, Awakening Their Seeing from the Blindness They Were In and Allowing Them to Begin Dwelling in Light and Love Instead of Darkness and Deceit and in Earthly Levels of Understanding and Knowing.

There is then the FOURTH STEP in the Process and that is to Thank Those Entities for Their Assistance in Giving You Opportunity to Learn the Lessons You and All People Came to Earth To Learn. These Beings Do Their Work Very Well and Are to be Commended and Thanked for Their Assistance in Teaching and, in a Sense, Forcing Man to Break the Hold All Vows and Agreements of Harm Have On Him.

The FIFTH STEP in the Process is to Thank Our Heavenly Father, the Beings of Light and the I AM PRESENCE for it is Their Will, Their Power, Their Decision That Gives This Magical Power to a Child of Light. The Child of Light is Merely the Channel, the Conduit Through Which the Power of God, of the I AM of all Things, Travels and Works and Brings About Such Wonderous Blessings.

Finally, the SIXTH STEP is to Revel and Rejoice in the Joy and Happiness the Breaking of Vows and Healing and Sending to the Light All Powers Of Darkness and Negative Beings Brings to You. What a Joy It Is To Be Freed from Strings and Bonds that Were Holding You Down, That Were Keeping You Enslaved to Third Dimensional Concepts and Activities. What Bliss to Realize You are Dwelling in the Light and that All Darkness and Negative Energies have been Dissipated. How much Lighter You Feel when this Has Been Done! What a Rejoicing Takes Place as One Realizes He Has Such Power and Magical Energy At His Disposal.

Breaking of Vows and Agreements, Healing those Yet in Darkness and Blindness, Sending Them All Into the Light of Love, Thanking Them for Their Assistance in Teaching Us the Lessons We Need to Learn, Thanking the Heavenly Father and All Higher Beings of Light and Finally Rejoicing in New Found Peace, Joy, Happiness and Blessedness is the Way of Children of Light. It is a Major Part of Walking the Pathway of Light Here on Earth.

These are the Six Steps To Be Taken, Again and Again and Again for There are Vows and Agreements from Many Lifetimes and There Are Entities and Beings of Darkness Without Number. This, however, is the Way of a Child of Light. It is a Blessed Way and It Brings Blessings in Vast Array and Without Measure.

Practice These Steps My Son, Teach Them to Those About You, for These Are the Ways of Children of Light.

Thank You Dear Sananda.

It is Important to Realize the Light Worker Not only Seeks to Break the Hold of Dark Entities on Himself but Also Does the Same Thing for Everyone He Finds in Distress or Trouble. It is one of the Great Privileges of Being a Light Worker that He or She Can Do This By Speaking, By Thinking or Even By Just Being Yourself.

Archangel Raphael Speaks of Spreading Healing Far and Wide as We Travel in this next Communication.

As You go on These Trips, Your Lights Shine Broad and Wide and Bright, Wherever You Are. Marrianna Mentioned it This Evening, Sending Healing to the Poor Woman Across the Swimming Pool. Sending Healing to Those Poor People Who Are Less Fortunate to Human Eyes, People who Have Perhaps Not Yet Seen the Light, who Have Not Yet Recognized the Light that is Within Them and So like Mighty Beacons You Go Forth, Traveling from Here to There and to Every Other Place, You Are Shedding the Glorious Light of Christ, the Glorious Lavender Light of God, the Golden-White Light of the Heavenly Father. You are Shedding the Christ-Light on All People and On All Things and on All Entities and on All Beings Wherever You Are.

Thank You Dear Raphael.

Archangel Raphael Repeats the same Message in These Words.

This is Indeed a Blessed Trip. You Have Put Many People Into the Light. You Have Healed Many, Whom Huge Numbers of Entities Have Held in Bonds and Ties. Marrianna has Also Done the Same with Great Hosts of People, Great Hosts of Dark Powers and Forces and Entities as You Travel About, it is Like a Giant, Giant Reaper That is Spreading Light and Hope and Happiness and Salvation in a Wide, Wide Swath

Wherever You Two Go. Let this Healing Be a Big Part of Your Joy and Happiness on This Trip.

Thank You Dear Raphael.
