

20. Joy on the Pathway of Light

Walking on the Pathway of Light is a Most Joyous and Happy Experience. Although Many People have the Mistaken Notion that to Be of the Light Means to be Sober, Serious and Generally Not Very Light Hearted, the Real Truth of the Matter is That Light People are the Happiest and Most Joy-Filled People in the World. Let Jesus Sananda Explain To You Why this is so in the Following Communication.

I would Speak to You this Evening About the Joy and Happiness and Bliss Experienced by Light Workers While they Are on the Pathway of Light on the Earth Plane.

To those who Know Not the Things of Spirit, to those who See the I AM Within Themselves as Merely a Figment of Imagination, to Those who Look Askance at the Things of Light, there Seems to be Nothing Joyous in Being a Light Worker.

They, However, See Only What They Want To See. The Light Person has, indeed, So Much to Be Happy About. He Has Seen and Accepted and Received the Light that Dwells Within Himself. He Recognizes it as the Love of God, indeed, as God Himself. This is Why the Children of Light Use the Term, "My Mighty I AM PRESENCE," So Often. It is Theirs and It Dwells Within Them and They See and Recognize It and Rejoice In It, for it Means They Are a Part of God and God is Within Them.

The Light Person Has Experienced the Love of God in Many Ways. The Beautiful Earth with all its Magnificent Scenes and Wonders of Nature, the Sun and Moon and the Glorious Nighttime Sky with its Myriad Stars and Planets and Heavenly Bodies, these All Show the Love of God.

The Light Person Understands How the Almighty Takes Care of His Children, Guarding and Protecting Them From Every Form of Danger, Evil and Peril. They See How He Feeds Them with the Abundance of the Earth. The Light Child Knows that

God Will Always Be with Him, Nurturing, Teaching, Leading and Guiding Either Directly or Through His Messengers, His Angels, His Hosts of Heaven As They Are Called.

The Light Person is Overjoyed to Understand that He is Kept in the Palm of the Almighty's Hand Throughout Life. He Rejoices to Know that Spirit is There to Lead Him Along the Pathway of Light. He is Pleased to Know that His Teachers and Guides Will Continue to Give Him Information, Knowledge, Wisdom and Knowing Throughout His Life here on the Earth Plane.

The Child of Light Rejoices to Be Given Tasks that Will Open The Eyes of Others to Their Own Light Within. He Expend Every Effort at Those Tasks and is Fulfilled and Completed Through Them.

Every Day the Child of Light Gives Thanks by His Words, His Deeds and His Example, that He has Seen and Accepted the Light Within and is Walking the Pathway of Light.

In All This, and Because of All This, the Child of Light is a Joyful, Happy, Contented Person who Sees Only the Good In Life, in the Things About Him and In the People With Whom He Has Connection.

This Joy and Happiness, the Smiles Upon the Lips, the Cheerful Words of Love and Encouragement of the Light Worker, are the Very Things that Often Awaken the Spark of Light Within Others. Often These Very Things in Themselves Are The Trigger that Sets in Motion the First Steps of Others Upon the Pathway. When the Light Worker Sees This, He Rejoices Even More for He Knows What Bliss is in Store For Those People.

Let the World Think of Light People as Somber, Serious, Depressed People but They Are Not. Among All People They Stand Out as the Happy Ones, the Cheerful Ones, the Joyful Ones.

Thank You Dear Lord Jesus.

Along with Joy and Happiness, the Light Worker Finds Great Satisfaction in Being a Light Worker and in Doing the Things of Spirit. This is the Essence of this Next Message from Sir Raphael.

Have you Noticed how Satisfying It Is when you Have Completed a Task Given You by Beings of Light? Remember How You Felt when You Completed Your First Book and then the Second as Well? You had a Great Feeling of Joy, of Satisfaction and Pleasure and That's the Way It Always Is on the Pathway.

Everything that is Given to Light People to do, Brings this Satisfaction, this P[leasure, when it is Completed. It is One of the Rewards Given to Children of Light as They Progress Along the Way. Everyone Receives It, No Matter How Small or How Large the Task Is. While it is Being Worked On and while it is Taking Form and Shape, As Well As When It Is Completed, There is Always this Feeling of Satisfaction and Pleasure. So the Lord of All Rewards His Children for Jobs Well Done.

It is Something to Remember and Something to Share with Others, for so Often on the Earth Plane, Men and Women Toil and Struggle and Work and Slave to Accomplish Something but in the End there is Little if Any Satisfaction and Pleasure. The Difference is One is Done For Spiritual Gain and the Other for Mere Earthly Gain. One Brings Benefit for Eternity while the other For Only a Short Time, At Best the Lifetime on this Plane. Only one is Permanent and the Benefits Extend Out Into All Eternity While the Latter Loses its Luster Very Quickly After Completion.

Share These Things with the Beginners and All who Would Read and Learn From Your Books. This Knowledge, this Special Reassurance from the I AM will Assist Many as They Go From one Task on the Pathway of Light to Another and Another and Another.

Along with Joy and Satisfaction there is the Pleasure of Seeing and Experiencing Mother Nature as we Walk Along the Pathway of Light. It is one of the Greatest Gifts of All from the Creator. Through Nature We Learn Much, We Are Uplifted in Body, Mind and Spirit. Most of All, through Nature We Receive the Love and Light Energy of the Creator Himself.

Thank You Dear Raphael.

Archangel Raphael Speaks of Some of These Gifts and Blessings in the following Section.

My Friend, I found Joy in Your Walking in Nature these Past Days. I Saw Your Heart Swell and Spirit Be Lifted in Thanksgiving and Joy. I Saw Your Mind Rest Easier and Find Many Examples in Mother Nature of God's Love, Wisdom, Providence and of All the Other Multitudinous Blessings Upon Those Still on the Earth Plane. There is Indeed, Much Wisdom and Blessing to be Received and Accepted in the Bosom of Nature. I know I Need Not Urge You to Frequent Time Periods in the Forest, Shore and Mountains of Your Earth, For Your Eagerness and Joy In Them Is Evident.

Thank You Dear Raphael.

This next Communication is from a Being of Light who calls Himself, Forefather of Forefathers. He Speaks most Often of things of Nature, Lessons, Teachings, Wisdom that Comes to Man Through Mother Nature. Read then what He Has to Say about Finding Pleasure in Nature.

You Felt and Saw Many Things in the Beauty of Nature this Morning. You saw the Many Birds, the Animals, the Trees, the Grasses, the Bushes, the Water, the People. It All Together Brought Joy Into Your Heart and Mind and Soul. It Uplifted You and Gave You Great Energy and Great Feelings of Being Loved. You were Thankful and Expressed it to the Heavenly Father.

You Rejoiced in Your Human Body and the Blessings You Have of Health and the Ability to Walk and See and Feel and Hear. It was Indeed a Glorious Time for You After Some Days of Not Being in Nature.

Such is the Way of Spirit with Human Kind. Spirit has Given so much in so Many Ways and in such Beauty and Delight that Man Can Only Stand in Awe of the Creator and of His Handiwork. Man often Sees Himself as Lowly and Inferior and a Poor Comparison to Such a God.

You are Learning, However, that Such Fear, Lowliness and Humility is Not Properly Placed in Man. Man Need Not Feel Unworthy when He Sees and Experiences and Feels the Glories of Nature, for these are Free Gifts of the Creator to All. They are But One of the Ways in Which the Source of All Has Shown His Love and Desire and Goodness Toward Man.

When Man Revels in Nature and His Heart Beats Faster to Feel and Sense the Glory of Nature and His Humanness Rises Up in Awe and Joy and Happiness in the Presence of Nature, it is a Giving Of Thanks To The Creator For It All. It is Praising the Creator of All Things. It is Rejoicing in the Bounty and Goodness of the Creator as Expressed in His Gift of Nature to Man.

More than this, Man Needs to Understand and See for Himself that Although Nature Seems So Very Large and So Very Magnificent that it Could Not Possibly Be the Creation of Man, Yet It Is, in a Sense, Man's Creation Also. You are Aware That All Things are God and God is All Things. That Means Man Is Also a Part of God and Has Taken Part in the Creation of the World and of Universes Everywhere.

Just as One Drop of Water Assists a Pail Full in Watering a Tree, so One Human Assists the Creator in Creating the World. This Is Indeed Awesome to Man's Thought and Mind. That He Should Be a Co-Creator with the Almighty Doesn't Seem Possible

and Yet That Is Exactly What Has Happened and Continues To Happen Every Day, Every Minute of Every Day.

You See, What Man Wills and Wants That Is What He Gets. Man Wants Beauty He Gets Beauty. Man Wants Shame, He Gets Shame. Man Wants an Earth Full of Decay and Trash, That Is What He Gets. On the other Side When Man Wants Joy and Happiness He Finds It. When Man Wants a Beautiful and Warm and Loving Home, He Gets It. Whatever Man Wants and Desires It Is His To Get and Obtain For It Is All There For Him, Always. Whatever Man Perceives As His Right, Is Brought Into Existence.

In this Way Man is a Co-Creator with the Source of All. The Source of All Gives Man This Power and Energy and Ability and Lets Man Make the Choice for Creation or Destruction, Upliftment or Abasement, Joy or Sadness, Trust or Fear. Choose the Positive and It Will Be There For You. Choose the Negative and That Will Be There For You. Choose the Beauty of Nature and You Will Find It. Choose the Drabness and Trash of Man's Making and You Will Have That.

You See How Powerful You Are in the Working of the World? Rejoice In It and Be Glad for This is the Will and the Way of the I AM of All. Thank you.
