

21. What is God?

In One of the Readings from Malachi, We were Urged to Take Everything Out of One Room In Our Home, to make it a Bare Room, and to Live In It for Awhile. Since We didn't have a Room to Spare, We Curtained off a Large Area in the Dining Room with White Sheets. There was No Decoration, No Furniture in this Space. We called this Our White Room.

One day while Meditating in Our White Room, I was given an Understanding of What God Is. I Don't Know Who Communicated It but it Provides an Understanding of God that I Believe is True and Accurate. That Evening in My Regular Meditation, Jesus Invited Me to Record what had Come to Me. The following is that Communication.

Jesus Speaking:

I Shall Remain Silent Now for a Little, so You Can Recount what Was given to You about God this Day in Your White Room.

It Occurred to Me that as a Child I Learned that God was Omnipotent, that is, He is All Powerful, There is Nothing He Cannot Do. I Learned He is Omnipresent, that is, Present Everywhere at the Same Time and At All Times. There is No Place in This World, This Universe Nor in Any Other Universe that He Isn't Present at All Times. I Learned He is Omniscient, that is, Knowing Everything Even Before It Happens. He Knows Every Last Thing That Happens on This Earth and All Other Creations as Soon as, Nay Before, it Happens. He Knows When One Hair Falls from One Person's Head, as has been said before. I Learned that in All Respects God is Limitless. He is Unlimited in Any and Every Possible Way.

It came to Me that these Things are as True Today as They were in the Days of My Childhood. Therefore, as They Are True, so it is Also True that GOD IS EVERYTHING.

He Is Limitless in Every Way and In Every Degree. There is No End Nor Beginning to God, Neither in Respect to Space Nor in Respect to Time Nor in Respect to Material Things, nor in Respect to Unseen Things of Higher Realms and Levels.

To know this is Overwhelming and Awe Inspiring to Me and, certainly Also, to Every Other Being Who Becomes Aware of It as Well.

That God is Limitless and Therefore Everything, Means that Every Inanimate Thing, in Every Universe that Exists, is God, Part and Parcel God. Yes, the Rocks, Soil, Mountains, Rivers, Air, Snow, Sleet, Sand, Buildings, All Creations of Man's Making, All Inanimate Things are God and God is All of Them.

It Means that Every Living Thing: the Trees, Plants, Grasses, Animals, Birds, Fishes and Insects All Are God and God Is All of Them as Well.

And it Means, and Oh How Wonderful to Think and Consider and Say, Every Human, Every Being of Every Level and Realm, Is Also God and God is All of Them. Yes, indeed, I also Am God and God is Me and so Are You!

It Staggers the Mind and Overwhelms One's Understanding and Intelligence. The Imagination is Fired and All the Wishes and Hopes and Dreams and Longings that Have Ever Entered the Human Mind or Heart or Soul Can and, Indeed, Are Able to Come to Pass. This is True and Certain, for with God There Is No Failure.

My Mind says, "I Am Not God in Totality," and So It Is. Not in Totality but, as the Drop of Rain Falls into the Ocean and Then Is Ocean from that Time On, so I Am a Drop of God, a Real Part of God and I Remain a Part of God for All Eternity. It Means He Dwells Within Me, is Part of Me and is Just As Much Me as My Body, My Mind and My Spirit is Me.

Human Language is Not able to Fully Describe nor to put Into Words What this All Means. It is Overwhelming and Staggering and Humbling but it Cannot Be Otherwise, for God is, Indeed, Limitless and Therefore is Everything and That Includes You and Me!
