

## **22. Seeing All Things as God**

Human Beings Usually Think of Things as Being Separate and Apart. Thus God is Separate from Man and Man is Separate from the Animals and the Animals are Separate from the Plants and the Plants are Separate from the Inanimate Things. Likewise the Sun, Moon, Planets, Stars and Earth are All Separate. This is what is Logical. This is what Makes Sense to the Human Mind but Now See What Jesus Says About This.

**My Son You have been Practicing Seeing All Things as God. With this Practice You have been Healing the Illusion that Man Lives Under. You are Beginning to See Things as They Really Are, Not as They Have Appeared for so Many Years.**

**The Negative, the Ugly, the Unprepossessing, the Lower Vibrational Beings and Things of Earth, You are Beginning to See as Part of God As Well and So They Are. For God Is Everything. There is Nothing That is Not God. When that Becomes Imbedded in Your Conscious and Subconscious Being, You Will See All Things in a New and Glorious Light. You will No Longer be Practicing but will have Turned the Corner from Opposites to Unity.**

**All Things Are God and God is All Things. It is That Simple. Now, of course, Your Wonderful Human Mind and Intellect Will Tell You that the Creator Cannot Be the Creation. If that Were So, could the Creator Be Really God? Would it Not Mean then that There was Something He Couldn't Do or Be? If He Can't Be Both Creator and Creation, He Isn't Almighty, He Isn't Everything, He Isn't God!**

**It Sounds Easy as One Hears these Words but it is Exceedingly Difficult for the Human Mind to Put Aside it's Lifelong Manner of Thinking and Observing and Analyzing and Simply See It As It Is.**

**Think Not, My Son, that You Now Know it All or that It Is Easy, for Indeed, There is Much Included in that Simple Statement, God Is Everything.**

**I Honor You for Your Practice in this Matter and Urge You to Continue Daily. It is a Larger Step than Most of Those You Have Taken on the Pathway and it Is a Most Important Step, for It Will Lead Certainly and Surely to what is called True Perception and Unified Perception.**

Thank You Dear Lord Jesus.

At another time Jesus Sananda shared the following words.

**You are about to go Traveling to One of Your Favorite Places. It is Good that You do This, for in Traveling You are Able to Spread Your Light Far and Wide to Many More People than if You Just Stayed at Home.**

**I would that You Keep in Mind the Glorious Fact that the Almighty Source of All is, Indeed, in Everything that You See and Hear and Encounter. All Beings and All Inanimate Things. Keep also in Mind that All the Things and Beings and Creatures You See Are a Part of You for as They are Part of the Almighty Source of All, so You Are too.**

**Together, All Things, You included, form the Being of the I AM, the Being of the Source of All, the Being of the All That There IS, the Being of God. Keep these Things in Mind and You will have more Blessing and Joy and Happiness on this Traveling than if You Forget or See Only with Your Human, Earthly Eyes and Seeing.**

Thank You Dear Lord Jesus.
