

24. God's Love

Although God is Limitless and is Everything, the Human Mind Cannot Always Grasp what that Means. It is, therefore, Sometimes Necessary to Speak of God as Though He Were Human.

Such is the Case with the Concept of Love. The Bible says, "**God Is Love**," Not, God Loves, but "**God IS Love**". We can Understand What it Means to Love but we can't Really Grasp what it Means to **Be Love**. Consequently Man has Written and Spoken of God as though He were Human Simply so Human Beings can Grasp a Little Better what He Really IS.

It is Important to Remember this for there are Many such Human Feelings, Traits and Characteristics Attributed to God. They Do Not Make Him Less Divine, Less God, but they Do Make it Easier for Us Mortals to Understand and to Speak of Him.

At times Jesus also Speaks of God in Human Terms so we can Better Understand. One of these Human Terms is the Word, "**Love**." Jesus has Spoken Many Times about the Love of God. Three have been Reproduced here.

The Heavenly Father does indeed Love All Beings and Even All Things with a Love So Vast, So Powerful, So Magnificent there is Nothing on Earth to Compare To It. On the Earth Plane the Greatest Evidence of Love for Another is to Lay Down One's Life for that Person. It is an Unusual Love Among Humans that would cause a Person to Lay Down His Life for Another. Yet there are Those Who Do Just That. Nevertheless, such a Love Still Doesn't Compare to the Love of the Father.

His Love Encompasses Everything, Yes, Everything, Not Only On the Earth, in the Earth, Above the Earth, but Everything in the Universe of Earth and in All the Other Universes that Exist.

The Love of the Father takes in Not just the Upright, the Good, the Kindly, the Godly, Not just Those of the Light, but Everybody. The Worst Criminal, the Worst Child Abuser, the Worst of the Worst, No Matter what He or She has Done, Hasn't

Done or Thinks or Wants or Commits, They all are Recipients of God's Unconditional Love. There is No Love on Earth like That.

Furthermore, the Love of the Father Continues Without Weakening, Without Dimming, Without Ceasing. It Continues Forever. He Doesn't Ever let His Love Wane for Anybody or Anything. There is No Love like that Among the Beings of the Earth Plane.

The Love of the Father moved Him to send Me to Earth, to live Among Men, to take on the Karma, the Sins, the Mistakes, the Errors and the Weaknesses of Man, All Mankind. The Love Of the Father Allowed Me to Be Sacrificed Upon the Cross for the People of the World. It is the Love of God that Accepts that Sacrifice and Then Says to Man, `You Are Free, Free To Live, Love, Worship, Follow the Light, Follow Spirit, Walk the Pathway and Finally, to be Realigned with Me.

The Love of the Father Shows Itself in How He Cares for Each Being, Each Thing, Each Person on Earth. It Shows in His Protection, His Guidance. His Love is Shown in the Messengers He Sends to Man, and the Messages He Gives to Man.

No One can Count the Blessings He has Received from the Father. No One can Count the Times He has Been Saved from Harm, Danger, Peril, Evil, Negative Forces and Dark Entities by the Father.

Only be Assured, My Son, the Love of the Father is the Same as My Love for You and for All Beings. It is the Same Love that Shines in the Hearts and Minds and Spirits of All Beings. It is What You Often Call the Light. Yes, The Love Of God Is The Light Of God. It is the Same Light that Dwells Within Each and Every One, Waiting to be Seen and Received and Accepted and Recognized.

Anyone and Everyone who Sees and Accepts the Love of God in His Heart, is a Child of Light and Walks the Pathway and Will Eventually be Perfectly Realigned with the Father in Eternal Bliss.

The Angels, the Ascended Masters, the Hosts of Heaven, Know the Love of God Intimately, Deeply and Totally. They Bask in that Love as You Bask in the Light of the Sun. They Revel in It and Rejoice in It and find their True Happiness and Bliss in It.

So it is with the Child of Light. The more He Sees, Understands and Knows of the Love of God, the more He Basks in It, Lives in It and Dwells in It. The Happier and more Blissful His Living Becomes. In the End, Upon His Ascension, the Child of Light Knows the Love of God with the Same Totality as the Beings Above Know it Now. Then each Light Person Will Dwell Eternally in that Love which Means Only Happiness and Bliss Forever.

Thank You Dear Sananda.

Again Jesus has Much to Say about the Love of God.

My Son, I would Speak to You this Evening about the Love of God. You Know of Physical Love and Romantic Love and the Love of Spouses and Also of the Love of God. You Learned of that in Childhood and it has Never Left You.

There have been Times, Many Times, however, when You have Forgotten the Love of God. You have Allowed Your Mind to Dwell on the Negatives, the Fears, the Guilt, the Sins that God has Spoken of. Know You Not that These Laws, and Judgments and Commands of God are Not Meant for the Child of Light, the Child of God?

Indeed, Once a Person Becomes a Child of Light There is No Place for Laws and Commandments and Sin and Guilt. Those Things have been Atoned for and Wiped

Away. They Exist No More. What Remains, My Son, is Love; Whole, Pure, Undying Love, that will Never Waver, Never Shake, Never Fade Away.

The Commands and Laws are for Those Who Have Not Yet Seen the Light, Who Have Not Yet Taken Their First Step on The Pathway. They are there in God's Wisdom to Exert Some Measure of Control Over the Forces of Darkness and Evil and Over Those who in Their Present Lifetimes Will Not Allow the Light of God to Enter Into Their Souls. Thus for Them the Commands and Laws Exert Some Control, Some Curbing of Evil and Darkness, so the Children of Light are Not so Overwhelmed they Lose the Pathway and Begin Shutting Out the Light and Love of God.

Once the Love of God has been Revealed and Accepted, a Whole New World Opens Up for the Child of Light. Laws and Commandments are No Longer Needed, for the Child of Light Revels in God's Light and Love. He Searches for Ways to Show that Love. He Sees that Love in All Things in the World, Yes, even in the Inanimate Things like Rocks and Mountains. Where the Love of God Dwells There Is No Fear and Where There Is No Fear There Is No Law Or Command.

Thus You See the Love of God Creates for Man an Existence and Living that is Filled with Peace and Quiet and Blessing and Bliss. The Love of God Nurtures No Evil, No Sin, No Darkness but Only the Joy and Bliss that Comes with Knowing it is There and Will Ever Remain Shining Upon the Earth and Upon Every Being and Every Thing of Earth.

Think of the Love of God as the Sun Shining Upon the Earth Without Clouds or Haze or Mist or Interference of Any Kind. It Bathes the Earth and Everything On It and In It and Around It with its Healthy, Life-Giving Rays and it Continues to Shine Until or Unless Something or Someone Hides in the Shade.

That's what Happens When Man Refuses to Accept the Love of God. He is Hiding in the Shade of Darkness. He Receives No Benefit and Blessing from the Sun of God's Love. It is Not Because it Isn't There For Him but Because He Will Not Allow Himself to Step Into It and Receive It. Children of Light are Light Because They have Stopped Hiding in the Shade and have Stepped Into the Light of God's Love.

In so Many Ways You and All the Children of Light are Like Little Suns of Love. You All Shine with Brightness and Blessing on Everything and Everyone Around You. Those who Are Willing to Step Into Your Light are Stepping Into the Light of God's Love As Well, for He has Promised that His Children will be the Instruments of His Love and Grace to All Mankind.

Think on the Love of God, and Your Fearfulness, Your Fretting, Your Worry Will Instantly Disappear. Such Things Cannot Abide Where the Love of God Shines and Dwells. To be Sure, the Forces of Darkness will Attempt to Convince You Otherwise but Be Not Deceived, God's Love is Real. It Exists and it Shines on You Always. Remember this and Be Comforted and at Peace, My Son.

Thank You Dear Lord Jesus.

Once more Jesus Speaks of God's Overwhelming Love.

I would, however, speak of the One Thing that is more Abundant than Air, Water, Food or Anything Else on the Earthly Plane. That is the Love of God for Mankind. No Love Ever Burned Brighter Nor with Such Fervor and With Such Gladness for Man. No Love could Ever Compare To It in Size or Vastness.

Man Struggles for This Love Too, Even as He Struggles for Material and Physical Things but so Often Man Does Not Know What He is Struggling For or Where to Find It. He Does Not Realize He is Struggling for the Love that is There For Each and Every

Soul in such Super Abundance that it Shall Never End, Never Cease and Never Run Out.

The most Amazing Thing about this Love of God is Not just Its Vastness, Its Size, Its Universal Availability, but the Wonder of Wonders is that it Already Dwells Within Each and Every Soul on Earth. You speak of the Light of the Soul, the Light of Life. My Son, that is Nothing Less than the Love of God Dwelling in You and in Every Other Person as Well. Many Know It Not and Recognize It Not but It Is There for Them as Soon as They Realize It Is There. As Soon as a Spark, a Word, a Glance, some Event, some Message that Brings About an Awakening, however Small and Tiny, Occurs, then that Person Begins to See and Feel and Know the Love of God which Dwells Within Him.

This Is So, for just as God is Everything, so Everything is God and that Includes Mankind, All People, All Beings.

Think on These Things, My Son, for they are Important and Valuable and Bring much Light and Love Forward and Into the Open Light of Consciousness. These things Uplift and Strengthen and Assist Each One as He or She Proceeds on the Pathway of Light, as You call it. They Do Away with the Fear of Lack, the Fear of Not Enough, the Fear that Drives Man to Struggle and Fight to Get More and More when He Already Has More than Sufficient, More than He Can Ever Use, More than He Can Ever Imagine.

As a Person Begins to Know and Recognize the Love of God Within, the Drive to `Get' Begins to Ebb Away and so a Major Struggle, a Major Source of Fear Is Released and Gone and that Person Begins to Let His God-Love Shine in All He Says and Thinks and Does.

Thank You Dear Jesus.
