

26. God's Communication with Man

God Communicates with Man in Many Different Ways. He is Not Tied to just One Way, One Message, One Messenger. His Will is that All should Come To Know His Love which Dwells Within Each Person. For some this is Accomplished by simply Telling Them About It. For others it May Require Repeated Messages, Different Messengers, and Different Methods.

It should Not be Surprising then to Learn from Jesus and from Archangel Raphael that God's Communication with Man is Dictated by Man Himself. God uses Whatever Method, Means or Mode Necessary to Awaken Man to His Love. **God Never Gives Up. He Never Stops. He Continues Until His Total Will is Accomplished with Each and Every Being. Only when All, Yes ALL, have Seen His Love and Accepted It.**

Thank You Dear Lord Jesus.

Jesus Speaks of God's Ways of Communicating with Man:

Great things have Been Done for Thee, My Son. The World was Created for Thee. The Body, Human Body, was Created for Thee. Feelings of Love and Appreciation and Gentleness and All the Other Feelings of Good Will were Created For Thee. I Came to Earth for Thee. I Suffered and Died For Thee. In Heaven there are Many Mansions and One Has Been Prepared For Thee. I've Given You Things. I've Given you Understanding. I've Given you Forgiveness, Redemption. I've Made Thee My Son. This All has Been Given to You From Me, from the Heavenly Father and From the Holy Spirit. It is Yours and as You Believe and as You Have Faith, so it Shall Remain.

You have Wrestled over the Words, "Other Sheep I have which are Not of this Fold," and, indeed, so it is. There is Not just One Way To Become a Child of God. There is Not just One Way to Eternal Bliss and Happiness. The Heavenly Father, in His Grace and Wisdom, has Given Many Different Ways. You know of Many of Them.

Think You of how the Father in Heaven Created and Dealt with Man in the Story of Adam and Eve. How He Walked with Them and Talked with Them.

Think of how the same Father in Heaven, Dealt with the Children of Israel and their Forefathers. Sometimes, One on One, sometimes through Messengers, sometimes in Dreams,

sometimes like in the Burning Bush. At times God was Angry, Harsh and Demanding and at Other Times Kind, Loving and Caring. Always He came to Man, Communicated with Him in the Way Best Suited To Awaken Man and to Assist Him to See and Accept the Love and Light of God.

So it is that in Many Different Ways the Heavenly Father has Related to and Communicated with His Children, Given Them Understanding and Love and Faith and Shown a Way to Eternal Bliss and Happiness. And so it is Now.

Throughout the Old Testament and the New Testament times, there was the Word of God, given by Him through those Writers He Inspired but there have been Others as well. Other ways of Speaking to the Children of Men. Other Ways of Giving them Understanding and Knowing and Faith. There have been Dreams. There have been Miracles. There have been Messengers. There have been other Writings and Words.

These are All Ways in which the Heavenly Father has Come to Mankind and Given to Him the Knowledge, the Understanding, the Faith and the Love that Brings Eternal Bliss and Happiness.

Keep these things in Mind as You Think on Your Life, as You Think on Your Faith, as You Read and Study and as You Compare Them to what You Learned as a Child. Remember, the Lord is Not Bound By Any One Way, or One Message, or One Messenger.

God in Heaven has No Bounds and He Not Only Can but He has Given us Many, Many Methods, many, many Ways, many, many People and many, many Beings to Reach Out and to Lead and to Guide and to Help and, in the End, to Bless the Children of Men.

Slowly Your Understanding will Increase. You will Be Able to Make the Proper Comparisons. You will Be Able to See How God has Changed His Methods and Ways and Messengers and Words and Still the Same Thread Runs Through them All and that is that God is Love. As the God of Love, He Will Not Abandon You. He will See to it that You and All His Children of Light are Brought Back to Him In Perfect Harmony and Peace and Quiet and in Eternal Bliss and Happiness.

Think on These Things, My Son, for they are the Things of God and the Things of Man.

So it has Ever Been, so it is Today and so it Shall Ever Be.

Thank You Dear Sananda.

Jesus has more to Say about God's Dealing and Communicating with Man:

My Son, the Heavenly Father has Done so Many Things for the Children of Light, they could Not Possibly be Enumerated in Human Terms in a Few Lines or Pages. Nevertheless, I will Remind You of Some of the Major Gifts and Blessings which the Father Above has Done For You and For All Children of Light.

He has Created of Himself Your Earth World and Universe. He has Created Many Other Worlds and Universes as well. Children of Light Dwell on All of Them.

In all these Worlds He has Given Many, Many Wondrous Things for the Enjoyment of the Beings in those Worlds. Thus the Great Mountains, the Peaks, the Valleys, the Canyons and the Gorges that Attract the Eye of Human Beings are Part of that Glorious Creation. He has Given in those Worlds other Beings, Tiny Beings called Insects by the Human Earth People. He has given Larger Things like Snails, Salamanders, Lizards, Mice, Snakes. He has also Given still Larger Animals, like Wolves, Coyotes, Lynx, Cats of All Kinds, Dogs, Pigs and Many, Many More. Still Larger Things like Giraffes, Elephants, Rhinoceroses, Buffalo, Horses, Camels and Many, Many More like it have been Given. There are the Birds of the Air in All Their Brilliant Hues and Finery and with their Dainty Habits and Cheerful Songs and Calls.

There are Things Like Soft Breezes, Strong Winds, Howling Gales, the Seas, Surf and Billows, the Roaring Waterfalls and Rapids. There is the Night Sky, filled with Stars and Planets and Worlds and Universes Too Numerous to Count. The Great Sun of Your World for Day and the Bright Moon for Night is there for You.

There are Senses and Things to Sense: Smells, Sights, Sounds, Textures, Tastes. There are Feelings, Love, Empathy, Pity, Sorrow, Grief, Hatred, Fear, Anxiety, Caring and All the Other Feelings of which the Human Condition is Capable of Having.

There are All the Invisible Beings, Entities, Forces and Elementals that Inhabit Every Part of the Earth and of All Other Planets inhabited by Children of Light. There are Dimensions, Levels, Heavens, Vibrations that Mankind is Largely Unaware of, but which Exist for the Benefit and Blessing of Man.

All this and much, Much More has been Created by the Heavenly Father for Each Person, Each Child of Light and there is Much More.

The Heavenly Father Knew and Saw that Children of Men soon Lost Sight of the Light Within Them and Began To Be Swayed By Dark Beings and Entities. He Saw that Many Would Not Regain Their Inner Vision of the Light and Love of God Unless He Took a Stronger Hand in the Matter and so He gives Opportunity after Opportunity to the People of Earth to See the Light and to Begin Following the Pathway of Light.

He Never Stops Giving Opportunities Until All Have Seen the Light. It may take Many Lifetimes but Sooner or Later All will Have Their Eyes Opened and They Will See the Light that is the Love of the Father for Them and They will then Begin to Walk Along the Pathway of that Love.

The Heavenly Father Uses Many Methods and Beings to Provide to Man the Opportunities to See and Receive His Light. He Uses Books and Writings, the Bible as You call it, Religious Writings that have been Produced through the Ages of Man on Earth. He Uses Dreams to Communicate with Man. He uses Miracles, He uses All the Angels and Hosts of Heaven and of All Universes and Dimensions to Deal with, Protect, Guard, Lead, Guide, Teach, Instruct, Support, Assist and Help the Children of Light along the Pathway.

He uses Telepathy From Higher Dimensions. He Uses what are called Channels. He uses Knowings from Within. There are Other Methods and Ways of which the Human Condition is Not Yet Aware but which are Effective and Useful and Successful Every Day in Earth's History.

The Beings of Light, those Ascended Children of Light, the Angels and All the Hosts of God are the Messengers and Guides and Teachers Along the Pathway of Light. They Come in Dreams, Channels, Knowings, Visions, Fantasies and Many Other Wondrous Ways.

All this the Heavenly Father does for the Children of Light as they Proceed Along the Pathway. All this Seems like Ever so much to the Mind of Man but it Pales in Comparison to All the Other Things the Father Has Done, Continues to Do and Will Do in the Future.

You See, My Son, the Will of the Father is as I have Discussed with You, that All Beings Should come to See and Accept the Light and Walk the Pathway Back to True and Complete Alignment with the Godness Within, the I AM of All Things. Anything and Everything that is Necessary to Accomplish His Will, has Been, is Being, and will Continue to be Done, by the Father.

Hold this Knowing In Your Heart and Ever be Comforted by it for it is Real and True.

So it Has Been, is Now and Ever Shall Be.

Thank You Dear Lord Jesus.

Raphael also has something to Say about how God Deals with and Communicates with Man.

There is an Entity that Keeps Whispering to You that You are on the Wrong Path Spiritually. Your Childhood Agreement was that there was but One God, One Religion, One Way to Heavenly Bliss and All Others Were False Machinations of the Devil and His Henchmen.

What You Learned as a Child, My Son, Was Correct as Far as it Went. It Was True. It Was Couched in Pictures and Similes and Parables, so Your Child-Mind could Grasp and Understand and Take In That Truth. Now, My Son, You Are No Longer A Child. You No Longer Need the Truth Couched in Pictures and Parables As You Once Did.

You Need No Longer Depend Upon Others to Interpret, Explain and Teach You on the Earth Plane. You Can and, Indeed, Are Receiving from the Lord Jesus Himself and from Me and from Many Others.

You are Being Taught and Guided and Led Not By Men and Women but By God. The Same God You Worshipped as a Child but Also the Same God Who Not Only Dwells in some Picture Place Called Heaven but Who Dwells In Everything On the Earth Plane, and In All Universes and Most of All Within You Yourself.

Today You Can and Do Look Within and See and Find and Learn to Know God.

Thank You Dear Jesus.
