

27. God's Care of Man

From Lord Jesus and Archangel Raphael

The picture of God as a Gentle, Loving Old Man who Takes Care of All Things in Heaven and Earth is a Human Picture. It is One Way in which Man has Tried to Show What God is Like. Well We Know that He Isn't An Old Man with a Long Flowing White Beard. Nevertheless the picture does Help Us Understand how God Cares for Mankind. Certainly the picture is Not a Perfect One but what can One Expect when trying to Picture the Source of All, the I AM of All I AMs?

Jesus too Uses such Pictures to Teach and Instruct. Read then what He has to Say about God's Caring for Mankind.

You are very Fragmented My Son. You still Struggle with Many of the Vows and Agreements that were Made so Many Lifetimes Ago and So Long Ago in this Life Time. You find it Difficult to Merely Enjoy the Creation of our Heavenly Father. You find it Difficult to Merely Enjoy the Wonderful Relationships You have with Your Spouse and With Others. You bring a lot of Stress, a lot of Strain to Yourself by Not Simply Reminding Yourself that You are My Child and that as My Child, No Real Harm, No Real Danger, No Peril, No Pain, No Suffering will come to You that is Not a Blessing.

Do you Remember how You Approached these Meditations? You did them Openly, Forthrightly and Simply. You Simply Opened Your Heart and Your Soul and You said, "If There Is Any Message, Then Send It To Me Now." And so it was. And so I would have You now, My Son, look upon life, look upon the Activities You are Engaged in, look upon All the Feelings, All the Vows, All the Agreements that You have made and Simply and Forthrightly say, "Give It To Me Now. Give Me The Wisdom. Give Me the Knowledge. Give Me the Understanding and Knowing. Give Me the Discernment so that I can Pick and Choose Among All These Things that Which is Good and to Discard that which is Not Good."

Simply go Forward, My Son, Quietly, Openly, as a Child and do these Things. Have the Confidence and Trust in Me, Your Lord, that When You Ask for the Strength to Resist, when You Ask for the Knowledge to Discern, when You ask for the Ability to Break the Vows and Agreements, that it Will Be Done, for So It Will Be. You Are My Child and as My Child, I Shall Take Care of You.

It is Sorrowful for Me to See You Fret and Worry and Struggle and Strain Against These Things. It is Not Necessary. It is Not Needed. Put Your Confidence and Trust in Me and in Your Heavenly Father and All will Be Put Right. You Will Have the Wisdom, You Will Have the Knowing, You will Have the Strength and All Will Be Done.

Remember this Promise, My Son, as You Face the Questions and Worries and Stresses that Come into Your Mind on a Daily Basis and indeed, Many Times a Day. You Will Find a New Ease, a New Way of Looking at Things, a New Peace and Quiet in Your Heart and Mind.

Jesus has more to say.

No Worry or Fretting Need Come Into Your Life this Evening Nor At Any Time in the Future. You can be Free of All Worry and All Fretting. Remember as it says, "If God so Clothe the Lilies of the Field, how shall He Not Also Take Care of You?"

It is Sometimes a Difficult thing for a Human to Put Aside Worry and Fretting because the Human Looks at such a Narrow and Small and Little Part of Creation and Often Understands Such a Little Bit of the Vast Power and Love and Willingness of the Heavenly Father to Guard and to Protect and to Look After His Own.

It is Part of becoming a Child of Light to Expand the Understanding and the Consciousness so that a Greater Appreciation and Knowing of God's Power and Willingness to Bless and Keep and Protect Becomes a Part of Each Person. It is a Process of Opening the Heart and Mind and, Most of All, the Knowing and Understanding That Is Inside.

It comes Not with Loud Noise like Thunder Nor Bright Lights like Lightening but Slowly and Steadily like the Sun Creeping Over the Horizon or like an All-Day Rain Falling Gently and Softly to Water and Nourish the Earth in every Part and every Place. And so in the Heart and so in the Mind and so in the Knowing of the Children of Light, this Knowing and Understanding of God and What He Is and How He Is and Who He Is becomes Broader and Clearer and Begins to Mean More and More to Each Child of God.

This has Happened to You. It Began in Childhood and Continued on but for Many Years Now it Has Been Blocked. It had been Pushed Aside and Kept Out but Now is Beginning to Enter Into Your Inner Sight and Knowing Again.

You have Not Forgotten what it Was Before and Now are Adding to that Knowing and Understanding. It will Continue to Grow and to Clarify and Become a Source of Strength and Courage and also Peace and Quiet and Happiness.

The Better and the More You Know about Your Heavenly Father and All that He Is, the more Content, the more Happy, the more at peace You will Be. You Will then Know there is Nothing to Worry About or to Fret Over nor to Stew About. All Things are Controlled and All Things are in the Palm of Our Heavenly Father's Hand. It is the Hand of Love which Guards and Protects and Blesses You, Each Day, Each Minute, Each Second of Your Entire Life, and Yes even on Into Eternity.

Set Aside then Your Fretting and Worrying and With a Clear Mind and Heart, with Happiness in Your Mind, in Your Eye and on Your Lips, Live Your Life in Peace, in Quietness and in the Joy which knows that Your Heavenly Father is There, and All is Well in His Care.

No matter what Changes Occur, No Matter what Upheavals or Catastrophes May Happen Inside You or Outside You, in Your Physical or Emotional or Mental or Spiritual Life, it Will Always Be the Same. The Heavenly Father Will Be There, Watching Over You, Guarding and Protecting You and Holding You in the Palm of

His Hand. So, in the End, there is Nothing to Worry About Nor to Fret Over, No Matter What Happens.

Keep this in Mind so that Your Life may be one of Peacefulness, Quietness and Happiness. Remembering this, You will need Little Effort to Get Along with the Changes and Vagaries of this Earthly Existence. You Will Be Able to Concentrate on Spiritual and Heavenly Things and on the Pathway of Light that You have begun to Walk On.

So It Has Been and So It Is and So It Shall Ever Be!
