

28. Trust

From Lord Jesus and Archangel Raphael

In another one of Jesus' Communications, He Discourses on the Concept of Trust. He Contrasts the Way Trust is Used on the Earth Plane and the Way it is Used By God and By Light People when Speaking of Spiritual Things.

I would speak to You this Evening about the Word and Concept of "Trust".

Man has used this Word through the Years to Attempt To Get Others to Rely on Them, to Believe in Them to put their Faith and Dependence on Them. Men and Women say in Essence, "Trust Me,"

When they Marry, Parents say to Children in Enumerable Ways and Times "Trust Me, for I Know Best".

Bosses say it to Employees and Employees to Bosses. The Government Officials Speak a Great Deal About the Trust that Has Been Given Them by the People. They seek in Every Possible Way to Convince Their Followers they Can be Trusted. So also with Businesses and Firms and Agencies and Stores and Workers and Everyone in the World. They All Want Others to Trust Them.

As You Well Know, there are many, Many that Cannot Be Trusted. Many Merely Use the Word to Deceive and Dupe those around Them. Even those who in All Sincerity say to Loved Ones, "Trust Me," Cannot Always Complete that Trust. Often they find it Physically or Mentally Impossible to Carry Out the Very Thing in Which They Want to be Trusted.

It is Sad but True that on the Earth Plan the Word "Trust" Has Become a Warning to Beware. Not a Comfort and Easing of Anxiety but a Red Flag, A Siren, A Screaming Inside that there is Danger and Peril Ahead. Be Alert, be Careful and DON'T Trust the Person or Organization or Business or Government that is saying, "Trust Me." To such Depths has Man Fallen in so Many Areas and in so Many Respects, in Relation to and in use of the Word Trust.

There is, however, another area in which the Word “Trust” is still as Reliable and Dependable and Worthy of Complete Acceptance and that is when the Heavenly Father uses the Word or, for that Matter, when Any Being of Light Uses the Word and Urges Man to Trust. The Father Above is Absolutely, Totally and Completely Worthy of All Trust for He has Never, Not Once, Not Even Partially, Been Unreliable or Undependable toward the Children of Men. Not Once has He said Some Thing and it Hasn’t Been True, or hasn’t Come to Pass. Not Once has He been Found Wanting or Lacking in Even the most Insignificant Ways and Matters.

When He says, “I Love You,” You can Rely Upon Those Words, Not just in Good Times, But in Bad, Not Just in Small Things but in Great Things, Not Just in Earthly Life but in Eternal Bliss.

When He says He wants All Beings to Come to the Light and to Walk the Pathway of Light and to become Perfectly Aligned to the Light Throughout Eternity, He Really Means It and It Really Happens! There are No Exceptions, No Conditions. He can Be Trusted Implicitly.

Sadly to say the Children of Men Cannot Always Be Trusted but the Lord of Heaven and Earth and of All Universes Every Where, can be Trusted, for He is Totally Reliable and Trustworthy. So it is Also with the Children of Light. As an Earth Being Begins to See the Light of God’s Love Within Himself and Begins to Recognize It and Receive It, He Learns to Become more Trustworthy.

He Learns it is Dark Beings and Entities and Misconceptions of Earthly Limitation and the Fears and Anxieties that Come with Such Limitation, that Cause Man to be Untrustworthy. However, the Light Within soon Shows Him there is No Need for Being Untrustworthy and that the Way of Light is to be Totally Trustworthy and so He Learns, Slowly at Times but More Quickly and Completely at Other Times and in More and more Circumstances and Instances, that to be Completely Trustworthy is the Way of God, the Way of Light. He Practices this in

Daily Living, in Thinking, Speaking, Acting and Being, while on This Plane. His Promises Not Only Sound Good but Are Good and Reliable. His Words Not only Ring True but are True.

So it is with Mankind and so it is with the Father Above and So It Is with the Light Beings of Earth.

Sir Raphael often has Words to say about Man's Propensity to Struggle, Strain and Make Things as Difficult as Possible. Repeatedly He has Reminded Me it is Not Necessary to Struggle or Fight or Strain. The key to Laying these Negative Things Aside is to Learn to Trust What the I AM of All I AM's has Said.

Here is One of the Times in which Sir Raphael has urged this upon Me.

It is Not Necessary to Struggle My Friend. The Lord Jesus just said to you, You are Struggling, You are Straining, You are Finding it ever so Difficult to Discern and to Judge and to Resist and to See that which is Good and that which is Bad.

It is Not Difficult. Trust in the Lord Jesus as He Encouraged You. Ask His Advice, ask His Wisdom, ask Him for the Knowing, ask Him for the Discernment and You Will Have It. He has Guaranteed it to You. He has Promised it to You.

As You become Aware that so it is, so indeed, you will become Quiet and Peaceful in Your Heart and Mind and Soul and You will be Able to Discern that which is Negative and that which is Positive, that Which is Good and that which is Evil. You will find the Peace and Quiet which You Long For and which indeed, All the Children of Light Long For and Eventually Find.
