

## **30. Closed Minds**

A Closed Mind is a Terrible Thing. Sad to say, However, Most People On Earth Have Closed Minds in One Respect or Another. Try to Speak of Religion or Politics to Another Person and the Chances are You will Find His or Her Mind Closed to at Least Some of What You have to Say.

What is so Terrible About a Closed Mind is that Person Loses Opportunity After Opportunity to Learn More, to Learn a Better Way, to Learn the Truth. Only when Man's Mind is Open and Willing to Look at and Consider Every Side of a Question, Every Person's Opinion and Ideas and Thoughts. Will He Have the Opportunity to Learn What is Really True and what Isn't.

It isn't Only Individuals that Have Closed Minds. Most Organizations, Associations and Similar Groups of People are Closed Also. As a Group They Have Made Up Their Mind what is True and Not True, what is Right and Not Right, what is Correct and What is Wrong. They have Banded Together Because they Agree on At Least Some Things.

Consider the Many Organizations Man has Created and See if they are Not Closed Minded in Many Respects. How about the Fraternal Organizations? . . . Lodges? . . . Churches? . . . Governments? . . . Committees? . . . Councils? . . . Boards? . . . Commissions? Are they Not All Closed Minded about Many, Many Things and In Many, Many Respects? Yes, they Certainly Are!

Jesus also has Spoken on the Concept of Being Closed in the following Communication:

**My Child, the Concept of Being Closed is a Very Simple One. You Close the Door so No Person or Thing Can Pass Through It. You Close It Because You Feel the Need for Protection. Protection from the Elements of Weather, from Dark Beings and Forces, from Criminals, from Base Creatures of the Earth such as Lizards, Mice and Rats.**

**There is then the Closing That Is For Protection. So also in Terms of Spiritness. Many People Close Their Minds, their Hearts, and their Beings to Anything that is New or Different. They Cannot Bring Themselves to Even Look At or Look Into Something that is Not Old and Familiar to Their Earthly Senses and Experiences.**

**Thus there are Those that Believe They Have the Truth and, for the Most Part, They Do. But Only Part of the Truth, yet They Refuse To Look Further, Believing They Have it All when in Fact There Is Always More and More to Learn and Understand and Receive Along the Spiritual Pathway of Light.**

**Yet they Shut the Doors of Their Hearts and Minds so that little or Nothing can Penetrate. They harm Themselves, for if They Would Be Open, they Would Learn and Understand Many**

**Things and would Bring Great Joy, Greater Happiness and Rejoicing to Themselves and to Their Loved Ones.**

**In Spiritual Matters it is Necessary and Good to Keep an Open Mind and Heart, for the Father Above is Constantly Communicating His Love and Grace to Man in All Manner of Ways and Means and Through Many Different People.**

**The Closed Mind of Earth Beings is a Common Trait. It is Not a Good Trait but One that Comes from Fear, from Anxiety from being Afraid that All Is Not Well Between the Light and Them, Between God and Them, Between Their Earthly Existence and Their Eternal Existence. Although this Closed Mindedness is Not Limited to Spiritual Things and Matters but Extends to Nearly Every Area of Knowledge and Wisdom on Earth, yet the More Seriousness Of It Is In The Spiritual Realm.**

**Sad to Say there are Many Yet Who Have Been Given Opportunity After Opportunity To See and Receive the Light of God's Love but have Refused it. Some Because They Think They Already Have It, Others Because They Are Comfortable in Their Darkness and Negativeness and Don't want to "Rock the Boat," as the saying on Earth has it. Such People Are to be Pitied for they are Closing Off Themselves From the Very Thing That Can Give Them the Happiness, Bliss and Eternalness they Desire.**

**Eventually they will See and Receive the Love of God, for the Father provides Opportunity after Opportunity Until All Have Been Opened To It. In the Meantime those People Remain Closed, Wholly or in Part, and Their Souls and Spirits Remain in Either Total Darkness or at best, in the Half Light of Partial Knowing.**

**For the Light Worker such People Present a Challenge. Not a Challenge to Convince Them or to MAKE Them See the Light but the Challenge Is to Give Them the Words, the Wisdom, the Light of Love and Then Let Them Be! It is Neither Appropriate Nor Successful to Bully, Badger, Argue, Browbeat or Try to Force Another to See and Receive the Light. Only Present It In Its Glory and Simplicity and Then Let It Be!**

**Most of the Structures and Organizations of the Earth are Closed Beings. They are Closed in the Sense they Work for Themselves and Consider Everyone and Everything Else Outside, Opposed to Them, Against them, Not "ONE OF US". This is Not the Way of Light People. They do Not Put Up Boundaries and Limits and Artificial Restrictions. They Open Their Hearts and Love to All Structures, All Organizations and All People.**

**How Sad it is to See some Earth People Look Down Upon Others on Earth. How Sad to Behold the Bigotry and Prejudice that Runs Rampant through the Minds and Hearts and Actions of so very Many People on Earth. It is Not the Way of the Light of God's Love. It is Not the Way that I and Many Others have Shown and Given Example during our Sojourns on Earth.**

**To Close the Mind and Heart to Any Other Being Shows a Lack of Understand, a Lack of Knowing what the Light Within Directs and Guides Us to. It is like Covering the Light in Certain Areas and in Certain Respects and then still Expecting it to Shine in All its Fullness and Glory.**

**There are Many Other Examples and Situations of Being Closed on the Earth but These should Serve. Suffice it to say that to be Closed to Anything, Except the Dark and Negative Forces and Beings and Ideas of Earth, is Not the Way of Light Children. By Your Example and by Your Words and By Your Activities You and Every Light Child can Show they are Open. They can show they Welcome Anyone and Everyone to Step Onto the Pathway of Light and to Walk Along It Together.**
