

## **33. Created In The Image Of God**

It is Important for the Light Worker to Remember that All People Have the Light and Love of God Dwelling Within Them. That is what is Meant by the Words, "Created In The Image Of God."

As we Remember the Godness in Each Person, we Will See them Differently, React to them Differently and Speak to them Differently, Than If we Forget Their Godness.

Jesus spoke briefly about this Concept in one of His Communications. It follows here.

**There are many People in the world. They are looking for the Light that is Theirs. As You well Know, All Mankind was Created in God's Image. So the Christ Light, the God Light, the Child of God, Is In Every Person. They May Have Lost It, Forgotten It, Covered It Up or Denied It but It Is Still There in Each and Every Person. As they Become Aware, they See the Light Shining in Others Such as Yourself. They then Begin to See and Recognize the Light in Themselves.**

**Think on these Things Daily and at Night, in Your Meditations and Outside of Your Meditations. Remember that All the Children of Men are Also the Children of God. Remember that all People have the Christ Light in Them, the Light of God, the Love of God. All have been Created in God's Image.**

**It only takes a Spark. It Only Takes a Glimmer of Light, a Word, a Gesture and They Begin to See the Light in Themselves and They Begin the First Small, Tentative Step on the Pathway of Light.**
