

35. Knowing You are Everything and Everything is You

One of the things that both Lord Jesus and Archangel Raphael have often Urged Upon Me, is to Practice Seeing the Godhead or Godness, as I like to call it, in Myself. It is One Thing to Speak of our I AM PRESENCE and of the Light of God Within But it is Another Thing to Practice Seeing All Things In That Light.

Logic tells us that If we are Part of the Godhead, then We are Part of All Things and Beings. It Means they are All Part of Us. Imagine then what it is Like to Look About You and Suddenly Realize, Fully Realize, that Everything You Are Seeing Is You! When this First Happened to Me a Tremendous Jolt Went Through Me as Though I Had Been Struck By Lightning. My Heart Seemed to Expand and Nearly Burst With Excitement. It was Electric and it Was Wonderful!

This is what Sir Raphael is Talking About in these next Communications.

My Son, I long for the Day when You will See All things as Divine Godhead All the Time. Well I know You See and Understand Your Godhead Now and Again, in Small Bits and Pieces and for Snatches of Time Here and There but There is So Much More for You, My Friend. The Thrill of Knowing and Accepting that All Things Are You and You Are All Things Cannot Be Expressed in Human Words or Symbols. It Must Be Experienced. You Shall Experience It, not Just in Bits and Pieces, but More and More and for Longer and Longer Periods of Time.

To this End I would Urge You to Practice, Thinking, Feeling and Seeing All Things as You and You As All Things. In such Practice You will Find Success in Seeing this True Perspective of the Third Dimension and Experience the Thrill that Knows No Description.

This I wish for You. This I Long for You to have, My Friend, My Companion. Your Joy and Light were Evident Today Again and were Noticed by Many. Even though You May Not Have Noticed It. Believe Me, You are Becoming More Powerful a Beacon of Light Day by Day. You will See and Feel It in How Joyful and Pleasant and Happy and Easy Your Daily Life Becomes.

Did it not Make You Feel, "On Top Of The World," when You Thought of All Things as Being You? The Clouds, the Highway, the Cars, the People, the Trees, the Grass . . . Indeed, All Things. That Joy, that Happiness, Increases, My Friend, as You Think on These Things and Let the Light of Christ Dwell in You and Shine Through You. It is One of the Rewards Given to God's Children for Being Light Bearers and Shiners upon this Dark Planet. It is a Foretaste of the Realms To Come in Your Future.

Sir Raphael Communicated again on the Same Subject in these Words.

My Friend, I Noticed and You Noticed at the Same Time, when You Saw All Things Around You as You, Yourself. What a Surge of Joy, of Happiness, what a Thrill of Understanding, when that Simple but so Great and Wonderful a Fact Was Clear for You for Those Few Moments. I Rejoice With You in that Glow of Happiness, that Thrill of Discovery.

It is Another Step, Small and Brief Though It Was, but Nevertheless Significant, for it Shows You are Understanding, are Applying what You are Learning and are Becoming More Firm, More Grounded, More Powerful on the Pathway.

I would also Urge You to Continue Practicing What You Experienced so Briefly this Day, that is, the Knowing You Are Everything and Everything Is You. It Cannot Be Otherwise For Your I AM PRESENCE Wouldn't Be, If It Were Not True.
