

36. Inner Knowing

One of the Unprovable things of Spirit is the Inner Knowing of the Children of Light. There is No Way to Prove to the Human Senses that There is such a Thing as Inner Knowing and that it is a Rich and Reliable Source of Truth for Those Who Are in the Light.

Both Jesus Sananda and Archangel Raphael have Communicated much Concerning the Inner Knowing of Light Workers. The following Examples will Help to give Understanding and Appreciation of this Gift.

Occasionally Jesus Sananda will go to Greater Lengths to Share some Important Concept or to Explain some Question that Arises in My Mind. Such was the Case with the Concept of **Inner Knowing**. Here is one such Discourse.

My Beloved Son, I would Speak to Thee of Knowing.

Knowing is Not Just the Awareness of Knowledge, of Facts and Data and Assumptions and Theories and Propositions. It is Not Just the Laws of Geometry and Algebra. It is Not Just the Dates and Events and People of History. In Short, it is Not Human Knowledge At All.

The Wisdom and Knowledge of the Earth Plane is Skewed, Reversed, Twisted Into Black and White, Right and Wrong, Yes or No. That is the "Knowing," or Knowledge or Wisdom of Man on this Earth. In Reality it Isn't a Knowing At All But Only a Facade, a Picture, a Faded Reflection that has Little or No Relation to the Truth.

That is Not the Knowing I Would Speak Of. The Knowing I am Speaking of is That Inner Certainty, that Inner Assurance, that Inner Wisdom that Starts with the Knowledge that the Godhead Dwells Within You and Within Every Person. Once a Child of Man comes to that Conviction, He has This Knowing, this Inner Wisdom, that Transpires All the Wisdom of This Earth.

For Example, once He Knows the Godhead Dwells Within Himself, He Then Becomes a Child of Light and as such is Aware that All Things Are Him and All Things Are the Heavenly Father and All Things Are the Holy Spirit and All Things Are Each and Every Child of Light.

This Knowing of the Child of Light Needs No Proof, No Outside Corroboration, No Witnesses, No Character Witnesses. It Is The Highest and Purest and Truest Knowledge and Wisdom There Is. It Is Infallible. It Is Perfect, for It Is Based on The Godhead Within Each Person.

There are Many Evidences and Examples of this Knowing. It is Seen in Many Light Bearers in Many Different Aspects and Ways. The Child of Light Knows He Is Loved By Me and By All Beings of Light. This is the Knowing. The Child of Light Knows He Shall Live Forever in Higher Realms of Bliss and Happiness. This is the Knowing We Speak Of. That There Is Forgiveness From All Real and Imagined Mistakes, Errors and Sins is Part of this Knowing. Confidence in the Support and Guidance of Beings of Light is Part of This Knowing. When You Feel the Hosts and Beings that Attend Your Meditations, that Is This Knowing.

In All These Things there is No Proof They Are Real, True and Reliable. You Don't See Them, Hear Them, Smell Them or Use Any of Your Senses to Determine They Are There. You Just Know It and So It Is.

In Essence that is the Difference Between Earthly, Third Dimensional, Knowing and the Knowing of Children of Light. The Third Dimensional Knowing that Everyone on Earth is Acquainted with is Based on what the Five Senses, in Some People Six, Tell Them.

The Knowing I Speak of is Based on Nothing but the Assurance of Being a Child of Light and, Therefore, upon the I AM That IS, and, therefore, upon the Knower Of All Things. It is Based on the Fact that Children of Light Are In and Of the Godhead, the Source Of All, The All That There IS. That is the Basis and Nothing Else and Nothing Less.

It is a Difficult Thing for Earth Beings To Accept This Knowing. Most Deny It Totally and Even Those Who Have Begun To Walk the Pathway of Light Find it Difficult to Accept What Their Knowing is Telling Them. So often they Ask Questions of Higher Beings, when the Answers are Already Within Their Own Knowing. They often Cannot Bring Themselves to Accept It. They are so Used to Skepticism, to Doubts, to Lies, to Falsehoods on the Earth Plane, that they Require Much Time and Long Practice Before They Are Able to Freely and Openly and Always Accept What Their Own Infallible Knowing Is Telling Them.

This, again, My Son, is a Heavy Thing for a Child of Earth to Grasp, to Accept, to Receive. I shall Speak of it Again from time to time for it is One of the Wondrous Blessings and Gifts that goes

with Walking the Pathway of Light. I Bid You Put Down Your Doubts and Misgivings and Practice Accepting and Acting and Speaking According to Your Knowing For It Is There To Guide You and To Lead You Without Error Through This Sojourn On Earth.

Thank You Jesus Sananda.

Concerning Errors and Untruths that may be Found in Writings and Books Jesus says, **Note Well the Errors, for Your Inner Knowing Will Tell You What They Are. ... The Human Language is Weak and Woefully Under-Worded just as Human Understanding and Knowing is Weak and Ill-Nourished but as One Grows in the Light and Continues on the Pathway with an Open Heart, Mind and Soul, these Things Become Clearer and Clearer. Does it not say, “We Now See Through A Glass Darkly?” So it is on the Earth Plane. Just as Clarity Comes in Due Time To Those who Seek It, so will Your Understanding and Knowing what is Right and Truthful and Should be Accepted, Increase and Grow and Become a Dependable Source For You.**

Thank You Dear Sananda.

A little later in the same Communication, Jesus adds:

That Peace that You Feel is Your Knowing. When you Feel that Peace and Quietness Inside, in Your Inner Most Being, Then You Can Be Sure You Are On The Right Path And All Is Well. That is Your Sign of Discernment and it Will Serve You Well in the Days, Weeks and Years to Come.

So it Is and so it Shall Ever Be....

Thank You Dear Jesus.

Sir Raphael also Speaks of Knowing and Understanding and Shared these Wonderful Words of Assurance.

Continue then in Your Meditations. Rest Assured that the Lord Jesus will Continue to Speak to You, even as I will. Rest Assured that You Will Understand More, Become more Knowledgeable, more Knowing, and in that Knowledge and in that Knowing You will Become a Blessing, Not Just to Yourself, Not Just to Your Spouse, but to All Who Know You and Indeed, to Those Who Do Not Know You but Will Hear of You and Will Read Your Words and Seek You Out and Will Be Blessed By God Through You.

Thank You Dear Raphael.

I have Shared the following Words of Lord Jesus but Repeat them here for They Give Us Better Understanding Of Our Inner Knowing.

It is Part of Becoming a Child of Light to Expand the Understanding and the Consciousness so that a Greater Appreciation and Knowing of God's Power and Willingness to Bless and Keep and Protect Becomes a Part of Each Person. It is a Process of Opening the Heart and Mind and Most of All the Knowing and Understanding That Is Inside.

It comes Not with Loud Noise like Thunder nor Bright Lights like Lightning but Slowly and Steadily like the Sun Creeping Over the Horizon or Like an All Day Rain Falling Gently and Softly to Water and Nourish the Earth in Every Part and Every Place.

And so in the Heart and so in the Mind and in the Knowing of the Children of Light, this Knowing and Understanding of God and What He Is and How He Is and Who He Is becomes Broader and Clearer and Begins to Mean More and More to Each Child of God

Thank You Dear Jesus.
