

37. Discernment

Another of the Concepts that Becomes Very Familiar to the Child of Light is the Concept of Discernment. It is Related to the Concept of Knowing. The only Difference is that Discernment Includes Action. It Isn't Discernment to See Something or Hear Something or Read Something that Your Knowing Says Is False. It is Discernment When You, In Your Mind and in Your Speaking and In Your Actions, Reject it.

It is, Nevertheless, a Precious Gift for it Serves to Protect us from Error, Falsehood and All Dark and Negative Forces and Entities. In the following Communication Jesus Speaks of Reading and Study of Spiritual Books and Writings. It Serves to Help Clarify and Enlighten Us on the Subject of Discernment.

It is of Importance that You Learn to Discern, however, as You Read. With Your Rearing and Training You are Inclined to Accept the Written Word As the Truth, the Whole Truth. Believe Me when I say, "It Isn't Necessarily True." Not All Written Words Are Truth.

The Forces of Darkness in Their Struggle to Control and Understand have Learned to Use the Written Word as Well as the Beings of Light. Thus You Will Find Both Truth and Fear, Love and Fear, Divine Communication and Fear, Often Mixed Up Together. This is Where the Discernment of the Children of Light Comes In. This is Where One Must Read and Reread Carefully and to Sort Out the Kernel From the Chaff and the Fruit from the Pit.

In addition to Forces of Darkness There is the Plain Fact that Words are Vehicles Used by Man, by Children of Earth, to Communicate. This in Itself, Means there are Errors, Mistakes, Lack of Clarity, Lack of Simplicity and Lack of True Explanation in the Words Written by Men and Women. Even in Those Things which are Channeled and Transposed Directly into the Mouths and Lips of Human-Kind By Masters and Beings of Light, there is the Screen of Man's Mind, His Intelligence, His Education. They Work as a Sieve at Times and So May Skew the Message, the Truth, the Wisdom that Starts Out from on High in Truth and Simplicity and Honesty but Then is Twisted Into Something Different when it Passes Through Human Language, Human Minds and Human Intellects.

Light Workers do Not Skew and Twist and Subvert the Words and Messages from Higher Realms on Purpose, to be Sure. Nevertheless because they Are Still on This Realm, Still Bound in Large Part to What Comes Through Their Senses, Still Hampered By Human, Earthly Education,

Knowledge and Wisdom, They Often Times Miss the Point, Misrepresent the Message and Sometimes even Twist the Entire Communication Out of Truth and Into that Grey Area of “In Between,” that Holds Both Truth and Falsehood, Truth and Lie, Truth and Fear At the Same Time.

So again it Becomes of Utmost Importance to Use Discernment when Reading and Studying the Books and Writings and Communications that come through Man.

Your Discernment is Not Perfect, Nor is it Able at All Times to Perceive the Untruth. Nevertheless, it is the Practice of the Child of Light in Using and Relying Upon His Discernment that Will Sharpen It, Make it More Aware and More Able to Separate the Grain from the Husk.

Furthermore, My Son, Remember that each Child of Light Has His Own Special Knowing That Is Based Not On Any Human Wisdom or Lore or Information But On His Godhood. The Knowing of the Child of Light goes Hand in Hand with the Discernment of the Child of Light. Together they Become the Measuring Stick Against which All that is Read, Heard, Studied or Learned is Measured. Does it Measure Up to that Inner Knowing and Discernment that comes with the Knowledge and Faith that One is a Child of Light, that One is One with the Only One That Is? That is the Key. That is the Determinator of What to Accept and What to Believe and What to Reject as Less Than Perfect Truth.

Since this Knowing of the Child of Light is Based on His Own I AM PRESENCE It Is Perfect. It Shall Not Fail. When a Reading Seems Good to Your Knowing it Is Good and When It Brings Fear or Doubt It Is Not Good, Not of Truth.

Continue then in Your Reading and Study and Listening for You are Learning Much, but Read and Study and Listen with the Discernment, Based on the Knowing, that is Based on the I AM PRESENCE of Each Child of Light. Then indeed, You Shall Be Blessed and Will Grow and Continue Forward on the Pathway of Light.

So It Is, Now and Forevermore.

Thank You Dear Jesus.

We Recently took a Trip to Canada. One of the Purposes of the Trip was to Obtain a Reading from a Woman that had been Recommended to Us. Although Both My Wife, Marrianna and I Had

Misgivings About Going There, we Went Anyway. When we Arrived at the Woman's Home, the Negative and Dark Forces and Entities were Overwhelming to Both of Us. We Excused Ourselves and Did Not Return.

Later that same Day, the following Communication came From Sir Raphael.

I also Wish to Point Out to You that there Were Many Negative and Warning Messages and Feelings Concerning the Visit in Canada, Long Before You Actually went There. It is a Difficult Thing to Listen to such Messages and Warnings, such Knowings, However, it is Something which Each Child of Light Will Practice and Learn to Rely On and Act On and Follow More and More as He or She Grows and Becomes Lighter and Higher and More Confident in His or Her Own Power and Understanding and Knowing. It is called Discernment.

Both You and Marrianna had the Knowing, Had the Feeling, Had the Warnings but chose to Ignore Them Until You Actually Arrived There and Could Feel Some of the Negativity and Some of the Possible Harms that could have Come Your Way had You Stayed. Only Then, when it was so Strong and so Plain, that You Set Aside Your Human Reason and Went with what You were Being Told and Shown in Your Inner Knowing. That was Using Your Discernment.

Again, it is a Lesson, a Reminder, that for Children of Light, Discernment is an Important Part of Their Wisdom and Decision Making. The Discernment of the Light Child is Based Not so much on Reason and Human Wisdom But On Inner Knowing. That Inner Knowing is a Dependable and Reliable Source of Guidance. As You Grow and Continue on the Pathway of Light, You Will Find It Easier and Easier to Follow it and it will Result in Greater and Greater Blessing and Protection From more and more Harm and Danger. In other words Your Discernment Will Sharpen and Be an Instrument Not Only for Protection for Yourself but for Assistance to Others as Well.

Thank You Dear Raphael.
