

## **39. Filled with Joy**

Just as the Child of Light is Uplifted, so He is Also Filled with Joy. They go Hand-in-Hand. Where there is Knowledge and Understanding of Being Uplifted, there is Also Joy, Great Joy, Wonderful Joy, Overwhelming Joy.

Though Both Lord Jesus and Sir Raphael Speak Often About the Joy and Rejoicing of Light People, I have Repeated only a Few Examples here. Jesus and Raphael Speak of Joy. Enjoy them as I have.

Lord Jesus:

**My Son, You Continue to Struggle and Fret and Worry and Without Any Reason. Remember My Promises to Be With You, to Guide You and Lead You and Give You the Words and Wisdom You Need to Continue on the Pathway and to Continue with the Tasks Given to You? Trust in that Promise and You will Find the Worry and Fear and Anxiety will Quickly Fade Away. In its Place Will Be Happiness and Joy Without Measure and Without Ceasing.**

**Think My Son, of the Love, the Grace, the Gifts, the Blessings, the Strength, the Power, the Knowing, the Understanding, the Caring, the Guidance, the Wisdom that is God and then Remember that All These Things Come Not from Without But From Within. All that You have Attributed to God, is Within You. All His Power, Love and Grace Is There, Waiting To Be Released and to Shine and to Bathe In Love the People of the World.**

**You are One of the Chosen, for You Have Yourself Selected Your Path and Your Mission and Your Tasks on the Earth Plane. They Await Your Energy, Love and Devotion. They Shall be Successful and Shall Cause Many to Open Their Eyes to the Light of Love that Dwells Within and Will Set them to Walking the Pathway with You.**

**So Shall You and All Light Workers Rejoice in the Godhead Within. So Shall All Be Filled with Joy when They See Their Tasks Completed and How They Bring Blessing To Many. So Shall All be Happy and Blissful when They See their Workings Successful.**

Thank You Dear Jesus.

Sir Raphael also Speaks of Joy.

**What seems like a Sacrifice to Your Earthly Mind and Understanding and Perspective when You Put Spirit First, is Not a Sacrifice But an Addition. It is Adding Glory, Peace, Satisfaction, Enjoyment, Love and a Host of other Wonderful Things to what You had in the Past. You still have All That You Had and Now You Have More. You have the Daily Presence and Love and Communication of Your Lord and of Higher Beings such as Myself.**

**Rejoice then, My Friend, in the Knowledge that You have Both. Both the Pleasures and Joys and Happiness You had Before, the Earthly Things that Seemed So Important and Wonderful, but Now Also the Heavenly, Spiritual Things have been Added to Your Knowing, Understanding and Being. Now You Not Only have the Pleasures and Happiness of a Lifetime on the Earth Plane but You also have the Joy and Bliss of Knowing You have Eternity in the Light and Love of the I AM THAT I AM!**

Thank You Dear Raphael.
