

40. Child of the Light

Lord Jesus and Sir Raphael often Characterize Light People, Light Workers, as Beginners. In this First Selection Archangel Raphael Recounts Much of what has Happened to Me, How I Learned of Spirit and Progressed on the Pathway. Nevertheless at the End He Still Characterizes Me As a Child, a Beginner.

You Have Learned Much from Your Transcribing and Typing of Material for the I AM Classes. You Have Learned from the Books You Have Read. You Have Learned from Listening to Your Spouse and to Others who Are of the Light. You are Learning from the Classes You are Now Attending. You Have Learned from the Reading You Received and for Some time now, You Have Been Learning from the Meditations in Which I and other Beings have Communicated with You.

In All These Ways You Have Been Blessed, for what You Have Learned is a Better Way, a Different Way of Seeing, Perceiving and Receiving things on Your Plane But also on Other, Higher Planes. Your Attunement Has Been Opened, Sharpened, Awakened and Prepared for the Knowledge and Communication that Will Continue to Come to You Regarding Higher Things. Already You Understand Much and Your Knowing is Strengthening and Becoming More Perceptive and Aware.

All this Means that You are, Indeed, a Child of the Light, that You are on the Pathway of Light, that You are Beginning to See what You Really and Truly Are. Already You are Becoming Aware that You Don't have to Continue Feeling, Doing, Thinking, Acting the Way You've Always Acted in Your Life. There is a Different, Better Way that will Bring Peace and Quiet and Happiness in Greater and Greater Measure.

Much now is Yours but Much More Shall Be Yours in the Days and Weeks and Months and Years to Come. The Pathway You have Embarked Upon is Not Short, Not Narrow, Nor Restrictive in Any Way. You are Free To Follow Your Own Spirit as You Heard Last Evening. You are Free to Exercise Your Godness, Your I AM PRESENCE. The More You Learn and Hear and Absorb, the more Your Cellular Knowing is Opened so that You Become Aware of what is Embedded in Everyone of Your Cells. That is, All the Knowledge, All the Wisdom, All the Knowings of All People and All Beings of All Time from Everlasting to Everlasting.

There are Many who are Yet Learning their Most Rudimentary Lessons in This Life and on This Plane. People who have Not Heeded the Call of the Flame, Who have Ignored the Spark of Light that Shone on Them, and In Them, Many Times in Each Lifetime.

You have Awakened, become Aware and are now Growing in the Light in Every Way Imaginable to Your Humanness and in a Multitude of Ways You Cannot Yet Imagine At All.

Rejoice in the Things You have Learned and Know and Feel. They are the Beginning, the Taste, the Teaser, the Preview of what is Coming in such Magnitude, such Vastness, such Overwhelming Beauty and Gloriousness, You Won't Be Able to Compare What it is Like Now to what It Will Be Like in Time to Come. Rejoice that You Are a Child of Light, a Child of God, and that You are Progressing on the Pathway.

Thank You Dear Raphael.

Archangel Raphael again Reminds that I Am like a Baby. I Received the Pap, the Liquid Food but Gradually Firmer, more Solid Food of the Spirit. So it is with Every Person on the Pathway. First the Easy Things, the Things Easily Understood and Grasped. Things that can be Described in Human Pictures and Similes and Examples. Then Gradually the Things More Difficult to Understand, Things That Do Not Always Fit Into our Preconceived Molds and Patterns

My Friend Your Meditations are getting Firmer, more in Depth, more Solid and Nourishing. You are like the Babe in Arms with His First Solid Food. At First Liquid and Pap and then a Little Bit of Solid Food and then More and More and More Until it is Almost All Solid Food.

So You have Received First the Pap and Liquid of God's Love and Light and Now You are Beginning to Receive some of the More Solid Food and Nourishment for Your Soul and Spirit. Rejoice in This, My Friend for it is A Blessing for You and for Those About You.

Thank You Dear Raphael.

Even though Jesus Sananda and Archangel Raphael have Communicated with Me Nearly Every Day for Many Months, Jesus Still Comments from Time to Time on How Much More There Is To Tell Me. The following is an Example of such a Communication.

My Son, there is So Much to Tell You and Communicate with You. There are Worlds and Universes and Levels and Beings Without Number. I long to Share it All with You but I Know Full Well it is Not the Time, Nor Place Nor are You Ready For Any Greater Revelations at this Moment.

I would therefore, that You Simply Concentrate on what has Been Set before You. Continue with Your Readings, Meetings and Discussions. Continue with these Meditations, and in Due Time, All will be Revealed to You.

Remember Always My Love for You and My Promise To Be With You, To Protect and Guide and Teach You on the Pathway of Light.

Thank You Dear Jesus Sananda.
