

40. Child of the Light

In the Higher Realms and Dimensions there are Many, Many Beings of Light. They have been Given Many Names and Many Tasks. They Exist to Glorify the Creator of All. They Live to Deliver His Messages to the People of Earth. They are Given Responsibility for Guarding and Protecting Light People. They Communicate with Earth People and in those Communications They Guide and Teach and Uplift.

Read now what Jesus Sananda says about Beings of Light and Know that is What You'll Be in The Near Future.

There is much in the Words, Beings of Light, that the Human Condition Cannot Fathom Nor Understand. Nevertheless it is Important to Know and Grasp what is Now Possible For You to Receive.

The Beings of Light Are All Those Who Have Learned to Know That God Truly Loves Them Without Condition or Reservation and That He Has Provided Everything That Is Necessary For Man to Walk the Pathway of Light and to Return to Eternal Bliss When the Time Has Come to Pass Over. **This is a Simple Explanation and Will Serve for Many who are Just Beginning to See the Light.**

There are, however, Many Levels and Portions and Groupings of Beings of Light, and You Already Know some of Them. The Angels are Beings of Light. They Fully Know and Accept the Love of God. There are Many Levels of Angels and the Day Will Come when they All Will Be Clear and Revealed to You.

Sometimes All the Many Kinds and Levels of Angels are Referred to as the Hosts of God or the Hosts of Heaven. So Indeed they Are, for they Are Aligned with God, the I AM of All, and they Dwell in Eternal Bliss which is the Same as Heaven in Man's Conception.

All the Light Workers are Beings of Light. When they First See and Understand the Light Within Them, they Become Beings of Light and Remain So, Unless They Put Out the Light Within Themselves with Evil Intent and Concentrated Refusal and Denial. Light Bearers and Light Workers, are All Beings of Light. Some are Yet on the Earth Plane and Others Have Ascended Already.

Often Man will Speak of the Masters, who have Gone Before and Ascended After Completing their Lessons and Tasks on the Earth Plane or on Whatever Plane they Chose to Serve and Assist, as Beings of Light.

There are Many, Many more and You will Eventually Read About Them, Learn to Know Them Through Your Meditations and from Listening to Other Light Persons Speak of their Experiences and Knowing.

For now then, My Child, Remember the Beings of Light are All Those who have Seen and Accepted the Light, that Is, the Love of God Within Themselves. It Matters Not Whether They Are Still on a Third Dimensional Plane, on the Earth or on Some Other Planet or Universe, or if They Have Ascended After Completion of Their Assignments and Service. They are All Beings of Light.

However, I would that for the now, You Use the Term, “Beings of Light,” to Mean the Ascended Light People and Entities and Not Those Still on the Earth Plane. This will Serve to Keep the Concept Clear in Your Mind and in Your Writings and Records.

Those who Still Dwell on Earth May Be Called Light Workers, Light People, Light Persons, Light Bearers, Children of Light or Any Other Term that is Comfortable and easy For You and For Those Who Learn from You.

Thank You Dear Lord Jesus.

Lord Jesus also Speaks of Angels and Explains What They Are and What They Do in this Communication.

I would Speak with You this Day about the Angels of God. You have shown a Special Interest in Them over these Past Couple of Months and so Has Your Spouse. The Angels of God are Many, so Multitudinous They Cannot Be Numbered in Human Terms. They are Pure, Without Sin, Error, Mistakes or Weaknesses. Only in Total Wisdom Do They Sometimes Lack For They Have Not Always Been Given Full Knowledge and Understanding of the Things of God. Nevertheless They Stand Far and Above the Level of Man on Earth in Wisdom and Knowing.

The Angels have Many Classes and Groupings and Levels. The Archangels, the Seraphim, the Cherubim and Many Others are All Among the Hosts of God and of Heaven. The Angels also have

Many Different Tasks and Assignments, Just as Children of Light on Earth Have Many Different Tasks and Assignments From on High.

Among the Tasks given to the Angels is the Protection of Children of Men. Among You Earth People there is General Understanding that Each Child has a Special Angel to Guard and Protect and So It Is. The Lovely Picture of an Angel Hovering Over Little Children at Play in a Dangerous Place, a River, a Cliff, is a True Reflection of What Angels are Called On To Do. Nor does this Protection End with Childhood. Indeed, it Continues on Throughout Earthly Living for Each Child of Light.

Angels are often Sent From On High as Messengers to the Children of Men on Earth. They Bring Good Tidings, Good News, Sometimes Warnings, Sometimes Guidance but Always They Bring the Love of God to Man in Words, Dreams, Visions, Meditations, Pictures and Many Other Ways that Man Cannot As Yet Understand Nor Grasp Nor Comprehend.

The Angels are Teachers and Guides for Man. You have Your Dear Raphael who Speaks to You Every Day. He Teaches You, Gives You Wisdom and Understanding and Guidance and Leadership and Instructions and even, At Times, Assignments. You Know Him Well and have come to Appreciate and Love Him as the loving Representative and Messenger of God that He Is.

So it is with Every Child of Light. Each one has at Least One Angel who Teaches and Guides and Gives Understanding. Though Many Do Not Understand nor Comprehend nor Accept this Blessing, it is True for All Light People. If They Would, They Could also Communicate with Their Angels through their Dreams, Visions and Meditations. It is Not Difficult but Only Requires a Steadfast Trust and Faith and Openness of Mind and Heart and Soul. Sooner or Later, with True, Regular Practice and Regular Requests From the Heart, the Angels of each Person will Speak, Move, Imbue, Communicate in Some Way with Each Light Bearer.

Among Men on the Earth Plane there is often Discussion and Disagreement as to Whether or Not Ascended Children of Light Become Angels. Though this is a Loving and Wonderful Thought, it is Not Truly Accurate. The Ascended Children of Light Remain Just What They Were On Earth: the Children of God's Light and Love. The Difference is They No Longer are Subject to the Frailties of Earthly Existence. They have Not the Mortal Body with All its Illness, Weakness and Frailty. They Have Not the Imperfect Mind that Chatters and Wavers and Speaks Without Thought and Logic so Many Times.

The Ascended Light People Exist Also on a Different Level, a Different Scale, a Different Dimension. They Still Show the Light of God's Love. They still Communicate Through their Words and Being and Thoughts. They Also Still have Tasks and Assignments from the Heavenly Father just as They Did On Earth. Along with the Angels the Ascended Light Workers are Guides and Teachers and Leaders of Mankind. They Communicate With Man just as the Angels Do, in Dreams, Visions, Words, Meditations, Knowings. In Many Ways They Are Just Like the Angels But They Are Separate Beings in that They Were Once Dwellers in Mortal Bodies who Spent Their Time On Earth as Light Workers, Bearers and People.

They also Carry Various Names and Classes. The Masters, the Beings of Light, the Ascended Light Children and Many More Like It.

So then the Angels and the Ascended Children of Light are there for the Earthly Children of Light and, indeed, for All Other Children of Men. They Watch Over Man, Guide Him, Teach Him and Rejoice with Him as He Reaches the Pathway of Light and Walks upon it Day by Day.

Man on Earth can Truly be at Peace and be Comforted and Rest in Ease, Knowing the Angels and Beings of Light Above are There to Bless and Keep Him.

Thank You Dear Lord Jesus.
