

42. Initiation

This Communication came as a Direct Result of Asking for a Message for a Group of Light Workers who were About to go Through an Initiation.

I asked, "Dear Jesus I have a Favor to ask of You. As You Know there will be an Initiation of Light Workers in a few days. I know they would Dearly Love to Receive a Word or Message from You. Would You give Me such Words for Them?"

Jesus Sananda answered, Heed My Words **My Son, the people in Initiation are Taking a Tremendous Step. They are Somewhat like the Children of Old who Cut Their Ties with Their Homeland and Without Hesitation Struck Out for Another Land that had been Promised to Them. I Am Speaking of the Israelites who were Led by Moses Out of Egypt to the Promised Land.**

When the Red Sea Parted for them, Each One had to make a Choice: to go Forward or to Return to Egypt. Behind were their Homes but also the Discomfort of Living in a Foreign Land, the Fear of the King's Anger against them, the Back Breaking Work of Building and Laboring for the Pharaoh of Old.

Ahead lay a Wilderness, Unknown to Any of Them. No Paths, No Roads, No Sign Posts. Only the Promise of the Almighty was There. A Promise to Lead Them to a New Land, a Land that Would be Theirs. A Promise to Guide and Lead and Protect Them Along the Way. A Promise to Bring Them Into Their Own Land, a Land Flowing with Milk and Honey.

Each One Faced the Choice. Each One had to Decide for Himself or Herself. There was No Time to Delay, No Time to Procrastinate. The Decision had to be Made and Once Made, It Was Irrevocable. There was No Changing of the Mind. No Turning Back.

This is the Decision Each Precious Light Person Makes at Initiation Time. Each must Decide for Himself or Herself whether to Go Forward, Trusting in the Promises of the I AM of All I AM's and to Cross the Sea or to Turn Back and Settle for a Life of Limitation, of Earth Dimension, a Life of Slaves in Egypt.

Each may Choose for Himself or Herself whether to Cross the Sea and to Follow Spirit Without Hesitation or To Turn Back and Remain in the Bondage of the Third Dimension, with All its Limits, Darkness, Negativity and Unreality. Each Person Has Free Choice.

I have No Doubt but that All will Choose to Follow Spirit Which Has Brought Them to This Point. All will Choose to Cross the Sea and to Continue Treading the Pathway of Light and Love and Peace and Grace. All will Take Up Their Tasks and Let Their Lights Shine as Great Beacons Into the World Around Them. Each in His or Her Own Place and Situation. Each With His or Her own Talents and Gifts and Abilities.

The Light of God's Love will Shine Brighter and More Glorious Because of Them. Many, Many More Shall See the Light and Respond to it Because of Them. Many will Praise Them as the Ones who Assisted and Helped them Along the Pathway. All Individually, and Together, Will, "Let Your Light So Shine Before Men That They May See Your Good Works And Glorify Your Father Which Is In Heaven."

Tell Them, My Son, that I Shall Be With Them Every Step of The Way. I Shall, With Their Guides and Teachers and Masters, Assist Them in the Tasks They Select and That Are Selected For Them. I Shall Give Them Words to Speak and Wisdom to Discern and Strength to Carry On. I Shall indeed, Be For Them a Rod and a Staff that Shall Never Let Them Down nor Forsake Them.

Tell Them, My Son, that their Lights Shall Shine as the Stars and as the Sun and the Moon in their Worlds. They Shall Be Beacons of Power and Grace and Love and Light. Many Shall Come to Them. Many Shall Listen to Them. Many Shall Be Brought to the Pathway Through Them and they Shall be Praised in the Realms of the Heavens and Among the Hosts of Heaven and of All Dimensions, for it Shall Be Said of Them, "*They Are The Children of God, the Children of Light, Who Have Crossed the Sea and Chosen to Follow Spirit.*"

Thank You Dear Jesus.

A Few Days before an Initiation Ceremony, Jesus Sananda Spoke of the Initiation and What It Means to be Light Workers on the Pathway. His Words are Awe-Inspiring and Yet Exciting and Joyful.

It is a Most Momentous Occasion for Them. No Greater Decision, Nor One Of Greater Importance, Will Ever Be Made By Them. For Though It Is Sufficient To See and Recognize and Follow

the Light Within To Be A Light Person, it is Far More To Become a Light Worker. Not just a Light Person or Light Bearer but a Light Worker.

It Means Far More than Merely Seeing and Accepting, it Means Carrying the Torch of God's Love and Light in All that is Done, All that is Said. It Means Accepting the Tasks that are Selected and Assigned with a Cheerful Heart and Ready Energy. It Means Sharing the Earthly Time of Life with Not Just Pleasure and Mundane Practices and Workings but Also with the Things of Spirit.

It is Not Always an Easy Road for the Light Worker for it Requires a Good Deal of Energy, a Good Effort. It Requires Time, Thought, Dedication and Yes, Sometimes, Also the Ridicule and Laughter and Barbs of Those Around. Sometimes it is Even those who Are Nearest and Dearest to Us that Cast the Largest Stones and Fling the Sharpest Barbs.

Nevertheless, the Path of the Light Worker is a Glorious One for it is the Pathway of Light and Love which Dwells in Each and Every Person and Being in All Universes and Worlds and Planets. It is A Glorious Path for it is Always Successful. Not One Light Worker has Ever Been Unsuccessful, for Indeed, it Is Not the Human Body Nor Mind Nor Being That Carries the Torch and Speaks the Words and Writes the Books and Shines the Light, It Is The Mighty I AM of All I AM's.

The I AM Within Is The Power that Gives Meaning and Success to Human Tongues and Pens and Words and Thoughts and Beings. Take Comfort, My Son, in Knowing This and Share This Knowledge with All. The Light Worker is Special, is Precious and is Always Successful, for the Lord of Heaven and Earth, the Source of All That IS, the I AM of All I AM's, Is The Power and the Energy and the Being that Works In and Through Each Light Worker.

Blessed Are They That Shall Know Their Light and Speak Their Knowing and Share Their Love, For They Are The Workers of Light! They are The Tools of God!

Thank You Dear Lord Jesus.

Jesus Sananda also Spoke of What to Expect After an Initiation. He Describes Living Without the Light, Without Spirit as Nothingness. Into that Nothingness that So Many Now Live in, the Light Workers Will Put Somethingness, that is the Light and Love of Their Christ-Consciousness.

Now there Lies Ahead for You and Them a Broad, Level, Smooth Plain of Endeavor. Like a Field with New Fallen Snow, it is Spotless, Unenscribed, Unmarred by Any Hands or Feet or Doings of Any Being. On this Nothingness You Will be Writing, Building, Creating.

It is a Reminder of the Nothingness You Are to Look For and Expect when You Sit in Your White Space (Meditation Room). It is the Nothingness that You Expect when You Pray and Meditate and Wait for the Speaking of Higher Beings. It is the Nothingness that Often Pervades the Heart and Soul of Light Workers when it Seems No One Else is at Their Side. When it Seems They Toil and Struggle Alone and Without Support and Often to Little Success. It is the Nothingness Out of Which the Heavens and Earth and All Universes Everywhere Were Created and Sprung Forth in the Glory of the Source of All There IS. It is the Nothingness which Characterizes Man's Wisdom, Knowledge, Efforts, Successes, Compared to what They are with the Presence and Power of the I AM Dwelling Within and Giving Success to Feeble Human Effort and Thought.

Into this Nothingness You and All Other Light People Step and Begin to make Marks and Begin to Stir Up the Sameness and the Nothingness of Human Hope and Desire and Wanting. Into this Nothingness You and All Others of the Light Go To Bring Truth and Substance and Understanding and Wisdom and Love and Light.

On the Plain of Nothingness You Create, You Build, You Establish, You Plant and Grow and Produce and Because the I AM Within Gives the Power, You and All Others are Successful in these Endeavors. Where There was Nothing, now There is Something and that Something is the Light of Love Shining on the Land and in the Hearts and in All the Dark and Plain and Hidden Places. In that Plane of Nothingness You Create the Spiritual Cities and Buildings and Creations That Signify the Spirit of the Most High Has Come And Is Dwelling There.

From Nothingness to Everythingness. This is What You and All Light Workers do when You Let Your Light Shine Forth. This is What Happens when Light Beings Speak and Write and Sing and Meditate and Paint and Heal and Care For. Through their Voices, their Fingers, their Hands, their Eyes and Feet and Backs and Heads, the Light Ones Turn Nothingness Into the Glory of God.

Thank You Dear Sananda.

Jesus Sananda and Archangel Raphael provide many Suggestions for Light Workers After they have Crossed a Threshold through Initiation. In this next Communication, Jesus Urges all Light Workers to Connect with Other Light Workers for Mutual Encouragement, Strengthening and Increase in Knowledge and Power.

So it is with the Children of Light. Where one is so Powerful as to Shine through the Darkest of Evil and Blindness, Two or Three or More All Double and Redouble and As You Say, Increase the Power and Energy and Light Geometrically. It becomes a Vast Shining, a Huge Source of Understanding and Knowing. The Presence of Many Together Serves to Cement their Many Energies and Light Together into a Cohesive Whole. The Energy of Male is There to Spur on the Energy of the Female Even as the Energy of the Female is a Spur to the Male.

Like Sparks between Two Wires, they Fly From One to the Other and Back and Forth, Hot, Brighter, Stronger, the Longer the Wires Remain Close to Each Other. As they are Drawn Farther Apart, the Sparks Get Longer But Also Weaker and Produce Less Light Until, when the Wires are Too Far Apart For Energy to Bridge the Gap, there is No Spark, No Light. Let Not the Spark of Love and Light that Flies Between and Among All Light Workers Become Dim and Fade Away By Not Communicating and Connecting with Each Other.

Let Not then the Spark and Light that was Kindled and Relit and Fanned in Initiation Fade and Weaken through Inattention and Distance and Lack of Communication. Know Ye that Your Thoughts and Being Can Bridge the Gaps of Miles and Miles, Yes Even the Limitless Distances of Space Itself. One Thought From You Can Bridge the Gap to Any and All Light Workers Everywhere. Keep Them Then in Mind, in Heart and in Prayer and the Sparks of Light Between You All Will Not Fade and Wither but Will Remain Strong, Flourishing and Brighter than Bright.

Thank You Dear Jesus.
