

## **43. Let Your Light Shine!**

Very Frequently Jesus Sananda and Archangel Raphael Speak of Letting Your Light Shine as a Great Beacon. This is One of the Most Important Aspects of Walking the Pathway of Light. It is Done in Many Different Ways. One of the Easiest Ways is Just by Existing. Imagine Yourself as a Great Beacon of Light that Shines Out in All Directions. You Don't Have To Do Anything just Be Yourself. Your Light will Shine in Your Face, Your Words, Your Actions and in the Way You Live and Relate to People, Beings and Things on Earth.

The Essence of it All is that We Love Ourselves and Each Other with Unconditional Love, just as the Creator of All Loves Each and Every Soul, Being, Plant and Rock on the Earth.

It is Easier to Love Ourselves and All Things if We Keep in Mind that All Things are One. This is the Message that Comes in the following Communication from Jesus.

**I would that You Keep in Mind the Glorious Fact that the Almighty Source of All Is, indeed, in Everything that You See and Hear and Encounter, All Beings and All Inanimate Things. Keep Also in Mind that All the Things and Beings and Creatures You See are a Part of You for as They are Part of the Almighty Source, so You Are Too. Together, All Things, You Included, Form the Being of the I AM, the Being of the Source of All, the All That There IS.**

Thank You Dear Jesus.

The same Theme is Expressed by Archangel Raphael in the following Words.

**You Might Still Practice the More at Seeing All Things as You and You as All Things. I Urge This On You Not as a Burdensome Exercise but Because it Will Bring Lightness and Glee and Happiness to You Daily and in Huge Measure. No Condemning Nor Judgment but More Praising and More Positive Outlook in What You Think and Say and Do are Apparent in Your Daily Life and Will Increase Even More as You Practice Them.**

Thank You Dear Raphael.

Jesus Sananda also urges that We Constantly look For Ourselves in All Others and All Others in Ourselves. Doing this We will be More Positive Both Toward Ourselves and Toward All Other People.

**My Son Your Discernment and Knowing and Ability to Practice Seeing Yourself in All Others is Growing. This Morning You Found Irritation in the Loud Speaking of the Man at the Restaurant Yet You put Him and His Entities Into the Light and You Reminded Yourself that He Was You and You Were Him. It Allowed You to Note His Loud Talking But Not to Allow the Irritation and Upset That Could Have Come with It. This is Progress on the Pathway of Light. I Rejoice to See It.**

Thank You Dear Jesus.

Archangel Raphael also Urges that we Practice Seeing the Positive Aspects of All Things and to Ignore the Negative. In this way Life and Living will be More Joyful, more Pleasant as we Walk the Pathway of Light.

**No one Expects a Light Person to Be Better, or More Expert or More Excelling in Games and Earthly Pursuits. What is Looked For in All the People of Light is that Their Light Shine Clearly and Strongly in Each. This Cannot Happen When Negativity and Complaining are All That Come from the Mouth and Heart.**

**I would then that You Learn to Be Just As Positive, Just As Cheerful, Just As Complimentary With Yourself As You Are With Others. You can Always Speak of the Good in Everyone's Play. You Always Find things to Compliment Others for But Not to Yourself. Practice Complimenting Yourself, Not in a Boasting Way But in Sincerity and Especially In Silence. Praise Yourself, If Not in Words then Within, for the Good Things You Do, for the Evidence of Good Ability and Skill. Ignore the Negativity, the Dark Side of What Happens.**

**You Yourself said Last Evening, "I Don't Know What My Enemies Call Me Because I Don't Listen To Them." Think of the Negative things that Happen, the Negative Aspects of What You Do, as Your Enemies. Ignore Them. Do Not Listen to Them and Certainly Do Not Give Them Voice. See in Yourself and in All the Things You Do, Only the Bright Side, Only the Good Things, Only the Positive and Your Life Will Be Changed. It Will Be Easier for You and More Pleasant and Joyful.**

Thank You Dear Raphael.

In the Final Analysis, Walking the Pathway of Light Involves but Two Things. One is To Learn and Keep on Learning and Applying the Things of Spirit. This is Done in Many Ways but Primarily by Meditating and Looking Within and Finding There One's Own Light and Truth.

The Other Aspect of Walking the Pathway of Light is to Share What We Have Learned and Know. This is Done by Simply Being the Light People We Are. It is Done Through Words, Deeds, Relationships, and a Whole Host of Things like these. As the Light Within Us Burns Brighter and Brighter it Shows Itself Clearer and Clearer and More Powerfully to Everyone Around Us. This is the Lesson to Learn in these Next Communications.

First Archangel Raphael urges us to Reflect the Light that Dwells Within Us in these Words.

**Changes Will Come. With You, with Those Around You, with All the Human Race, Animals, Nature, the World. Inside and Outside They Will Come. Some Small and Some Large. The Powers of Darkness Now Seem to Have the Upper Hand But the Legions of Good, of Higher Vibrations, are Increasing Geometrically. The Light Bearers are Learning to Speak, to Write, to Communicate the Truth. They are Demonstrating the Gentleness that is a Hallmark of Higher Vibration. They are Like the Mustard Seed, So Tiny, yet Each One Grows Into a Mighty Plant, a Tree. Let Your Light So Shine that All Men May See It and Glorify Your Heavenly Father.**

**One of Your Roles is To Encourage, To Lead, To Show, To Give an Example, for in This Male World, There is too Much Hesitancy Among Females. Too Much, Hanging Back, Too Much Shyness. You Can, Through Your Spouse and with Her People, Show and Give an Example that They May Overcome Their Reticence and Fear and Let Their Lights Shine Out Into the Darkness of the World.**

Thank You Dear Raphael.

Archangel Raphael Repeats the same Message in Slightly Different Words in this next Communication.

**Let Your Light So Shine Before Men That They May See Your Good Works and Glorify Your Father which is In Heaven. Nowhere is this More Important Than in Everyday Living. The Kind Word, the Gentle Reply, the Forgiving Glance, the Look of Love, Of Joy and Happiness, Let These Be Your Sermons and Teachings.**

**Forget the Challenge To Be First, To Be Best, To Win, To Be Ahead. There is Far More To Life and Living Than These Things.**

**I See You As a Beacon, A Shining Light, through Your Actions, Your Life, Living, Behavior and Certainly Through Your Words. Like the Lighthouse on the Rocky Shore, You Can Alert Those Around You to the Dangers and Pitfalls That Confront Them. You Can Be the Light that Shines so They Come to Know Your Heavenly Father.**

Thank You Dear Raphael.

The idea of being a Good Example to All Those Around Us, Comes Through Very Clearly in This Next Paragraph also from Archangel Raphael.

**You are Setting a Good Example. An Example For All Who Know You and Understand and Realize that From Day to Day, You as a Very Beginner, As a Little Child, have Been Stepping Along the Pathway of Light. When You Add Each Small Step, Added to Each Other Small Step, it Shows You Have Come a Long, Long Way Already on that Pathway. So as You Continue Your Meditations, Continue Growing in Confidence and Trust and Belief, so You Will Continue to be a Greater, Better and Clearer Example for All Who Know You.**

Thank You Dear Raphael.

Whenever Light People Travel They Provide a Good Example for Everyone They Meet. It is Like Shining their Light Upon the World, Wherever they Are. This is what Jesus Sananda is Saying to Us.

**You have Completed a Good and Valuable Journey. Your Light has Been Spread Wonderfully in Many Places and to Many People: Friends, the People who Served You in the Restaurants, the Station Attendants, Your Sons and Grandchildren, the Motel Keepers and Clerks, the People on the Highways and In the Parks. All of Them Were Blessed by Your Being, Your Love, Your Light.**

**So it Was and Is and Always Shall Be with the Children of Light. Their Very Beings, Their Very Existence, Their Presence is All That It Takes to Awaken Those Around Them. No One is Immune Unless They Deliberately Harden Themselves Against the Light. Even then it's Influence Remains In Them and In the Future When the Time is Right, they Will See It, Remember It, and Rejoice In It for Then They Too Will Be Walking the Pathway of Light and Life. So it Has Always Been Is Now and Ever Shall Be For the Children of Light, the Light Bearers.**

Thank You Dear Jesus.

Sometimes we Hesitate to Speak of the Things we Know. The Light Within is Hard to Explain to Those who Know Nothing of It. Nevertheless, Sharing Our Light Brings Rewards, as Jesus Sananda says Here.

**In the Days that Come during These Holidays You Will Have More Opportunity to Let Your Light Shine Brightly and Steadfastly. Take the Opportunity to Speak of the Light and of the Pathway of Light when it Arises. You Will Be Surprised and Pleased to See the Result is Not Scoffing and Sneering as You Might Expect but there will be Interest and Respect for You and For what You Say.**

Thank You Jesus.

One of the Best Opportunities to Share our Light is at Conferences, Workshops, Meetings and the Like. It is Important that Light People Gather from Time to Time to Encourage and Strengthen Each Other. It is Also Important that Opportunity Be Given To Those Who Are Not Yet of the Light to Visit and Mingle with Those Who Have Seen the Light. Such Meetings and Gatherings are Opportunities to Let our Lights Shine to the Fullest.

Archangel Raphael Speaks of such an Opportunity a Few Days Before a Large Gathering of Light People was to take Place.

**My Friend, You will have a Special Opportunity to Let Your Light Shine in the Coming Days. The First One Will be for the Gathering of Light Workers. Many Shall be there that are Curious, Just Beginning to See the Glimmerings of Light Within Themselves. Many Will be There That have Already Seen and Accepted the Light and Still Many Others will be There who have Been on the Pathway for Many Seasons. To All These, I would that You Let Your Light of Love and Grace and Understanding and Friendship and Caring Shine as Brightly As Possible, for They All Need Your Light.**

Thank You Dear Raphael.

One of the Hardest Things for Me to Accept is for Someone Who has Special Wisdom or Knowledge But then Refuses to Share It with Others Who are Interested. This happens Frequently on the Third Dimension.

Archangel Raphael teaches a Lesson About the Earthly Practice of Not Sharing when We Have The Opportunity.

**You Were Upset and Peeved at Those Who Wouldn't Share Their Expertise and Knowledge. My Friend Let Not those who Fear To Give of Their Knowledge, Upset You, for They Shall Lose It. They Cannot Keep What They Try So Hard To Keep From Others. Only in Giving Away Will Man Retain What He Has. Only In Sharing Will Man Find Ten-Fold Returning To Him.**

**Those that Grip the Sand the Hardest, Lose It the Fastest and So It Is With All Knowledge, Wisdom, Skills and Abilities. They are Given From the I AM of All to be Used For All, to be Shared with All, to be a Blessing for All. When this is Not Done, when Man is Afraid He Might Lose It and Wants To Keep It For Himself, then He Will Lose What He Has for What We Fear We Get and What We Share We Retain!**

**You See It Is the Opposite of What Man and Those on the Earth Plane Have Long Thought and Believed. Give It and You Keep It, Keep It and You Lose It!**

Thank You Raphael.
