

6. Complete Meditations

The following Three Examples are Given Exactly As They were Recorded During the Meditation. The Only Changes are Corrections of Typing, Spelling and Grammar. You will See How They Have Changed from the Beginning. The Most Important Parts are the Communications from Lord Jesus and Archangel Raphael.

With over 60 to Choose From, it was Very Difficult to Select Only Three Meditations for this Section. In the End the Decision was made on the Basis of Which Ones Seemed to be of Most Value for Those who are Just Stepping Onto the Pathway of Light. I am Confident the Lord Jesus and Archangel Raphael also Guided the Selection for They Had Promised to Do So.

I have found much Comfort, Encouragement and Peace from the Communications from Lord Jesus and Archangel Raphael. It is My Prayer That These Recorded Meditations will Give You the Same Comfort, Understanding and Blessing as They Have for Me.
