

7. Peace Which Passeth All Understanding

In this First Meditation, Archangel Raphael Speaks of the Peace which Dwells In Every Soul.

Deep, Slow Breathing...Slow Breaths...Let All Tension Out through the Breath...Relax, Relax. Let My Subconscious Emerge....Let the Cares and Tensions and Activities of the Day Fade Away. Let My Mind be a Blank Slate Ready to Take On Whatever the Beings of Light want Me to have, Tonight.

Dear Lord, hold Thy Protecting Cover of Love Around Me and Over Me so that No Darkness, Evil or Negativity Can Enter in and Take Root in Me. Defend Me. Protect Me. Guard Me as Thy loving child.

Come and Be With Me Now Dear Lord Jesus, Sananda, Savior. Come Holy Spirit Imbue My Spirit with Thine. Shower Thy Grace Upon Me and Open My Mind, My Heart, My Soul for the Grace, Love and Peace which Thou Alone Can Give. Come and Be With Me Now, Dear Raphael. It is Late but it is Our Time. Time to Play, Time to Learn and Time to Listen and Absorb and Receive.

What is the Lesson for Me this Evening? What should I be Taught and Know and Understand Now at this Moment?

Peace is Not Just a Word But a Being. It is an Inner Being that Exudes through the Eyes, the Mouth, the Mind, the Skin and Through Every Pore, Word and Utterance and Thought that Comes from Your Body, Soul and Spirit. You have Spoken the Words, "Peace Which Passeth All Understanding," many Times and Also Interpreted them as the Peace Which Comes From Knowing, Trusting, Believing in God and Trusting in the Lord Jesus for Salvation.

And So It Is but it is Also More. It Is the Peace Which Dwells Within the Heart of Every Being but, alas, is Often Buried so Deeply, it Cannot Come Forth and Show Itself. It is Often So Hidden Even the Person, Him or Herself, isn't Aware it is There. But oh, how Wonderful for Them when They Discover It. Such Peace is Indescribable with Mere Mortal Words. It is Very Close To Serenity. It is like a Mighty Ship which Calmly

Sails through the Choppy Seas of a Little Squall. It is like a Mercedes Benz speeding down the Smoothest of Highways.

So it is with One's Life when this Peace is Allowed to Flourish, to Come Forth, to Live, Openly and Freely in the Heart and Lives and Daily Activities of such a Person.

This Peace Comes from Knowing You are a Child of God. From Knowing there is Not Only a God, a Source of All, a Supreme I AM that I AM, but Knowing and Understanding that this God Dwells Within You, Guides You, Leads You and Gives You Direction and Love and Joy and All the Happiness and Good Things of Life Now and Forevermore. This Peace Comes from Experiencing the God Within, the Sense of Eternalness Within Each of You, the Knowledge that Life After Life will Pass and Fade but this Peace Will Continue and with It We will Continue Also.

With this Peace in Our Hearts and, Indeed, on Our Sleeves, we will Sail Through Life as though On Calm Seas and the Smoothest of Highways. With this Peace No Danger, Peril, Darkness Nor Disaster will be Able to Sway Us, for we Know, Really and Truly Know, that in the End We Shall Overcome and Sail Serenely into the Harbor of God's Eternity.

It is Hard to put it Into Words You can Understand. But Rest Assured it is There for You, Now and Forever More, and the More You Become Aware Of It, the Easier Life and Death and Everything in Between will be for You and for Anyone Else who is Aware of It.

Know that this Peace is Not Just the Absence of Any Thing, such as the Absence of War or Battles, or Evil or Destruction or Tension or Anger or Anything, but it is also a Positive Thing. A Positive Power and Attribute of God and of All His Children. It is Not a Vacuum where there is Not War Nor Bloodshed but it is also a Huge Positive

Force that Pervades Our Lives, Thoughts, Feelings and Everything that We Are or Have or Do.

Know, My Child, that this Peace is Yours. It Is In You. It is as Much a Part of You as Breathing and Pulse and Thought. It is Yours and It Is Precious and It Will be There For You Forever.

The wonderful Light blue color fills My Inner Sight. It is Everywhere Inside.

Is there Anymore that I need to Hear or Receive this Evening, Raphael?

I Feel Nothing, See Nothing and Hear Nothing. Only the light blue color remains. A Sign, I'm sure, that God and/or His Messengers Are Still with Me.

It seems I've been Meditating or Trying to Meditate All Day. While Golfing, Several Times, I found Myself off into Space while waiting My Turn but Nothing Really Came to Me.

During Yoga Class tonight it was the same thing and also out by the Fireplace. It's like I'm Being Tested to See if I will Persevere.

Has it been too Easy, Raphael? Is this part of the Lesson of Patience You Spoke To Me About Yesterday? It would Seem That Way but the light blue color is a giveaway. When it is there I know All is Well.

Nevertheless it is Nice to Sit Quietly and Relax and Wait. **They Also Serve Who Only Stand And Wait.** Someone said. It was meant of Those who Wait to Serve Their Masters, the Maids and Servants of Olden Time who Were Ever on Call, but it Also Applies so well to Us on this Plane.

We also Serve when Called Upon but in the Meantime we Wait, and Wait, until that Time When All is Ready and Perfect and the Master Calls.

No more for now, I Feel.

Thank You Archangel Raphael.
