

## **9. There are No Mistakes**

A Communication in which Jesus Points out that Everything Is For Our Good and Raphael uses Seeds and Plants to Illustrate How God's Love Grows Within Man.

Heavenly Father, Lord Jesus and Holy Spirit Be With Me and Protect Me from All Harm and Danger. Archangel Raphael, Cover Me with the Blanket of Lavender Light of Love so No Darkness or Evil Being Can Penetrate To Me.

Heavenly Father Send Thy Golden-White Light of Love Down through All My Chakras, Opening Them, Brightening Their Colors, Setting Them to Spinning and Preparing Them for All the Communications that May Come to Me this Evening through Them.

Slowly I Relax My Body,... My Mind,... My Spirit and Soul.... I Allow the Soft, Gentle Feeling of Peace and Quiet to Steal Over My Entire Being as I Sink Slowly,... Softly... and Gently Into My Meditation State. A Wonderful State of Euphoria and Peace and Joy. I Consciously and Unconsciously Open My Heart, My Soul, My Very Being to Whatever Being of Light that Wants to Communicate with Me this Evening. Most of All, I long for the Presence and Words of My Redeemer and Savior, Jesus Christ, and of My Dear Friend, Raphael, to Come and Be with Me and Communicate with Me.

Dear Lord Jesus, please Come and Sit with Me and Talk with Me. If there is a Word, a Message, a Thought that is Good for Me this Evening, then Give it to Me now at this Moment.

**There are No Mistakes, My Son, "All Things Work Together For Good To Them That Love God." So it was Today going for the Tapes and being Delayed by Accidents. So it was that You went to Two Stores to find the Seeds You were Looking For. So it was that Your Spouse Gently Pointed Out Improvements in your Fine Letter to Your Son. I Point Out these things Not because You are Not Aware that there are No Mistakes but To Imprint on Your Mind this Wonderful Fact and Blessing.**

**Even these Seemingly Little Things are Arranged by Our Father. The more You See and Understand this in Your Everyday Life, the More Blessed Will Be Your Life and the More Joyful and Fulfilling and Happy. Look for the Hand of God In Everything that**

**is About You, Everything that Happens, Every Thought, Word and Deed that Comes From You and From Those Around You.**

**Keep this Simple Fact in Mind as You continue with Your Reading, Writing, Meditating and Preparing to Share with Others. "All Things," Means Just What It Says. The more a Human Thinks on this, the more Magical and Wonder-filled His Life and Being and Knowing Becomes. It is part of the Process on the Pathway of Light, Part of the Process of Growing in the Light and it is One of the Things that Makes the Existence of a Light Bearer so Blessed and Rejoiceful.**

**Think then on this One Promise of Our Heavenly Father as You go through Your Activities tomorrow and You Will Find Them More Joyful, More Full of Blessing and Happiness than Ever Before.**

Thank You Dear Jesus for Your Message of Encouragement and Joy. I will surely keep this Promise in Mind Every Minute, if you will help Me to do so. I Fear My Weak Human Mind and Memory and Will, May Allow Me to Forget, but with Your Help I Can Do It.

Dear Raphael, do you also have Thoughts, Words, Information for Me this Evening? If You do, please Come and Give it to Me now at this Moment.

**My Friend, You were Frustrated with Your Inability to do Much Work this morning in Your Yard and Garden. There was No Need to Get Frustrated. It is the Lord's Way of Showing You That Your Life can be One of Ease and Grace and Comfort in Every Detail. You Do Not Need to Do Everything that Your Human Mind Says should be Done in Your House, Yard, Garden and Garage. The Needs of Earth People are Very Minimal when You Really Analyze Them and get down to the Bare Facts of Existence.**

**Think Ye Not that you would Still Live and have Food and Pleasure and Activities and Enjoyment and Happiness if You Didn't Prepare Your Garden for New**

**Planting? Would You Starve if You Didn't Plant those Tiny Seeds in Preparation for Filling up Your Garden Space Again and Again and Again? The Lord Provides All These Things.**

**Nevertheless there is a Lesson, a Knowing, in Your Activity in Your Garden and Yard and with Seeds and Soil. That Lesson Is Simply That The Lord is Generous and Rich to a Fault in Giving Man the Opportunity to See and Experience His Power and Will and Ways with Man.**

**It was the Lord who put the Power of Life in the Seeds. It is the Lord Who has Arranged it so Seeds will Sprout in the Proper Soil, when the Moisture is Correct and the Warmth Appropriate. The Lord Sees To It a Carrot Seed Brings forth a Carrot, Delicious and Wholesome and Healthy and so with All other Seeds.**

**Just as the Lord has Done This With Seeds, Soil and Water, so He Does the Same Thing in the Hearts and Minds and Souls and Spirits of Man with His Love. You Speak of the Light of Christ. That is Nothing But His Love Described in Human Terms. His Love Literally Lightens Everything and Everyone It Touches. Like the Seed when it is Planted and gets the Water and Warmth it needs will Sprout and Grow and Produce, so will the Love of Jesus Sprout and Grow and Produce In Man when it is Planted and Nourished and Tended.**

**That, My Friend is What has been Happening To You. The Spark has been Lit, Many Years Ago. It has Remained Within and Now Has Begun to Grow, to Send Out Roots and Branches and It Will Flower and Bear Fruit in Due Time.**

**The Messages You Receive, the Information You Get, the Knowing that is Coming to You Through Your Meditations, Reading and Listening are the Water, the Warmth, the Fertilizer, the Conditions and Means and Methods, God Uses to Cause this Love to Sprout Within You and to Grow and Flourish and Finally to Produce.**

**Think on These Things, My Friend, for they are Wondrous and Blessed and Will Bring Untold Joy and Bliss to Whoever Comprehends Them.**

Thank You Dear Raphael, for Your Words and Message. I Appreciate them and am Truly Grateful.
