**Many Years ago My Beloved Moses Asked Me If I would Meet with Him Every Day for Thirty Minutes and Just Document what I Experienced.**

**These Sacred Meetings have grown and grown into the 2 Hour Sacred Downloadings We do today. After My Husband Zim Graduated from Planet Earth on 11-01-14 We Both went through a Higher Sacred Gateway of Sacred Wisdom. My Beloved Zim Experienced His Gateway in The Higher Dimensions and I Experienced Mine on Planet Earth. These Sacred Gateways Created Major Changes in Who, What, Where and How the Sacred Downloading Process Would Be Done.**

**This Happened when 'IS' The Creator of All That IS, Sent Out The Clarion Call to All The Higher Dimensions, Galaxies and The Great Beyond. Calling on The Masters of Sacred Healing Light to Step Forward and Share Their Sacred Wisdom and Healing Light. That Would Assist The Beautiful Planet Earth and The Multitudes to Awaken and Remember Their Sacredness. So The Multitudes Could Raise Their Vibrations and Frequencies and Move into The 5th Dimension and Higher. Where They Could Experience The New Golden Age of Peace on Earth. This Was The First Time We Connected With a Huge Mother Ship!**

**The Following Sacred Downloadings Describe What I Experienced! Open Your Hearts and Receive The Sacred Healings, The Masters of Sacred Healing Light are Sharing With You!**
