

3. Connecting With Your Sacredness With Source That Already Exists Within You!

Beloved Malachi, Katherine Bell, Ph.D.D. and "Marrianna"

Can You Assist Me in Tuning into the Airways to Connect Me to What Already Exists Within Me, My Sacredness With Source? How Do I Connect with That, Other Than My Second Chakra? Is That the Way?

Well Beautiful One, The Second is Most Definitely The Way to Allow Yourself in Your Meditations to FEEL the Frequencies, the Waves of Vibration. Know as You are doing that You are Connecting to The Voice of Your Beautiful Soul and The Divine Intention for what Exists Within You to be Known. You're going to Drive it to The Fifth Dimension then Back Unto The Third. For again How are They Comparing The Second Chakra to The Fifth Dimension. Well The Third Dimensional Reality Draws within You the Capability to Live Your Purpose and Present Your Gifts.

So I go within and can I ask My Higher Soul Self to Help Me?

Indeed, You Connect with That, then You Would Rest Within The Energy Field of Your Sacred Chakra Allowing Yourself to Sense, to Hear The Vibrations Within You and The Impulses, the Thought Forms, that You Know are Surfacing From that Divine Aspect of You.

Thank You Malachi.
