Beloved Malachi, Katherine Bell, Ph.D.D. and "Marrianna"

Can You take Me on the Star Walk within Me that is The Healer of Souls?

Process

Let Us Do it in this Fashion, again as You would work with Your Root Chakra. Your Working with The Planetary Vibration Called Saturn. The Vibration of Saturn Beautiful One, is the Holder of The Great Spirit of Souls. Saturn is Your Healer of The Souls! It Does Indeed Help All Souls Remember the Actions They are to Perform in their Human Body. The Living They are to Do For The Soul is Activating Your Human Existence, its Calls For You what is Termed The "Four D's", Dedication, Determination, Devotion and Discipline.

Into The Second Chakra is The Power of The Planet Mars. What Does it Do? It Stirs Your Passion and Your Purpose. It Cultivates That Which is Called The Original Creative Force Within All Beings The Source Creation, The Source Idealization of Creating.

Into that which is called The Third Chakra, as You are Walking, You Walk Upwards Climbing the Mountain as You Call it. The Third Chakra is that of what is called Jupiter. It is a Very Vibrant Energy Field of This Grand Universe that can Open The Doorways to The Other Galaxies. It calls on You to Remember that You are Not Here Alone as a Human Being. It is a call to You to Remember that Everything You Ever Needed is Within You. Now You Must Use it, for that Third Chakra calls You to Use Your Talents and Be amongst Your People of The World. It Reminds You to Periodically Pause and Come within Yourself so You can Gather much more of what You Already Have. Then You Bring it Out in Your Human Endeavors.

The Fourth Chakra Aligns with that of Your Great Sun, that Vibrant Yellowish Glowing Light in Your Daytime but it is Much More. For it is The Doorway to The White Sun. The Vibrant Vibration of The Holy Spirit Within You.

To Your Throat Chakra **The Fifth Chakra** You Connect and Walk to The Power of The Planet called Venus. So know, that from Your Mouth comes Not Only The Gentleness of Love and Care, But The Power of Your Word that Does Indeed Always Create. From that Powerful Creation You are Utilizing Sound as The Power to Live The Truth of Your Own Soul.

To the Beauty of **Your Sixth Chakra**, The Brow Chakra is the Very Gracious Power of The Moon. When Your Intuition and Your Union with The Divine is Stirred within, Your Human Endeavor's can be Balanced with what is Termed The Human Logic, to The Spiritual Center of Your Intuition.

To The Beauty of **Your Seventh** Chakra The Crown Chakra You are Walking on The Path of Mercury. It Instills with You at The Crown Chakra to Remember to FEEL and to Use the Voice of The Divine Expressing Through You.

As You Continue to Advance Your Consciousness, You Move Into **The Eighth Chakra**, it Connects You To Uranus. This Beautiful Vibration Reminds You of The Fourth Dimension, and The Unconditional Love that Brings Fourth Your Intention to Move to the Galactic Fields of Light and Life to know that there is Far More than You on The Planet Earth, and the Similar Planets of The Earth and Your Galaxy and that it Opens a Doorway to Much More.

This Provides You with Greater Positive Awareness, for with that You can Step through the Doorways that You Term Neptune, for Neptune is The Vibration To All Knowing. It will Guide You Through The Vibrations, here with Your Beautiful Uranus You can Talk to The Pleiadian. To know what The Galactic Beings are Sharing, to Listen to Them as They Teach You How to Remember You are The Source. It is Not about them Sourcing You, it is about You Remembering.

The Neptune Energy will Help You and The Pluto Energy will Assist Merging You Into Higher States of Your Being. It is a Constant Reminder of The Soul Evolution that We Talked About That You are The Source Evolving in The Human Endeavors and Spiritual Expansion.

As You Walk Beautiful One, in The Planetary Vibration, You will Find Yourself Walking in Your Galaxy, Walking Beyond Your Galaxy, Walking Through Portals Such as The Pleiadian Portal.

So now Sit Down and Concentrate, as You do that, Concentrate and Know Your Chakras are Gateways. They Vibrate with You so You can Recognize who You are and How You are Indeed Always Intertwined With All Living Matter, All Living Essence Etherial or Matter.

Thank You Very Much Malachi.
